Pathway to Counseling

The daily news

In our world today the outstanding need of society is greater knowledge and greater tolerance. Sincere efforts at enlightenment and education are of utmost importance. For these reasons, communication has become a significant part of our lives. Communication is the only true way to understanding among the peoples of the world.

Listening well—essential to true communication

What we search for is understanding. A necessary ingredient for all conversations is the art of listening well. To respect the opposite viewpoint is the first step towards tolerance. There is little communication where there is not great tolerance.

While news is important, interpretation of that news is far more important. Most controversy would soon be ended if

those concerned clearly understood the terms of the other.

Human beings should learn to communicate; that is, come to such an understanding of each other that there is a concerted attempt to reach common answers to common problems. Communication enables the aware student to see a complex world more clearly.

In these times we fight for ideas

Ideas control the world. Communication is sharing beliefs, feelings, opinions, ideals. Many ideas grow better when transplanted into another mind.

Conversation is the basic means of communication between individuals. Words came into existence as a means of communication of ideas. However, the notion that thought can be perfectly expressed in verbal symbols is unrealistic. The world has taught me to think, but I must yet learn to adequately communicate my thoughts.

School board contemplates all year term

Dr. Gerald S. DeGrow replaced Dr. Howard C. Seymour as Superintendent of PUHS. He came here from Port Huron, MI, where he was superintendent of Port Huron area schools. Three members of the DeGrow family, Janet, Mark and Paul, attended Camelback.

Stephen Jenkins, newly elected to the School Board, replaced Dr. Robert Shapiro. John V. Fels became Board president.

Trevor Browne High School will open in September, with John Black, former principal at Camelback, as its head. Mrs. Emily Stewart, Ken Ridenour and Leon Jordan will act as chairman of IMC, house director and head of the Science Department, respectively.

The major issue of the year was formulation of plans for a year-round school program. A planning committee was composed of three administrators and three teachers.

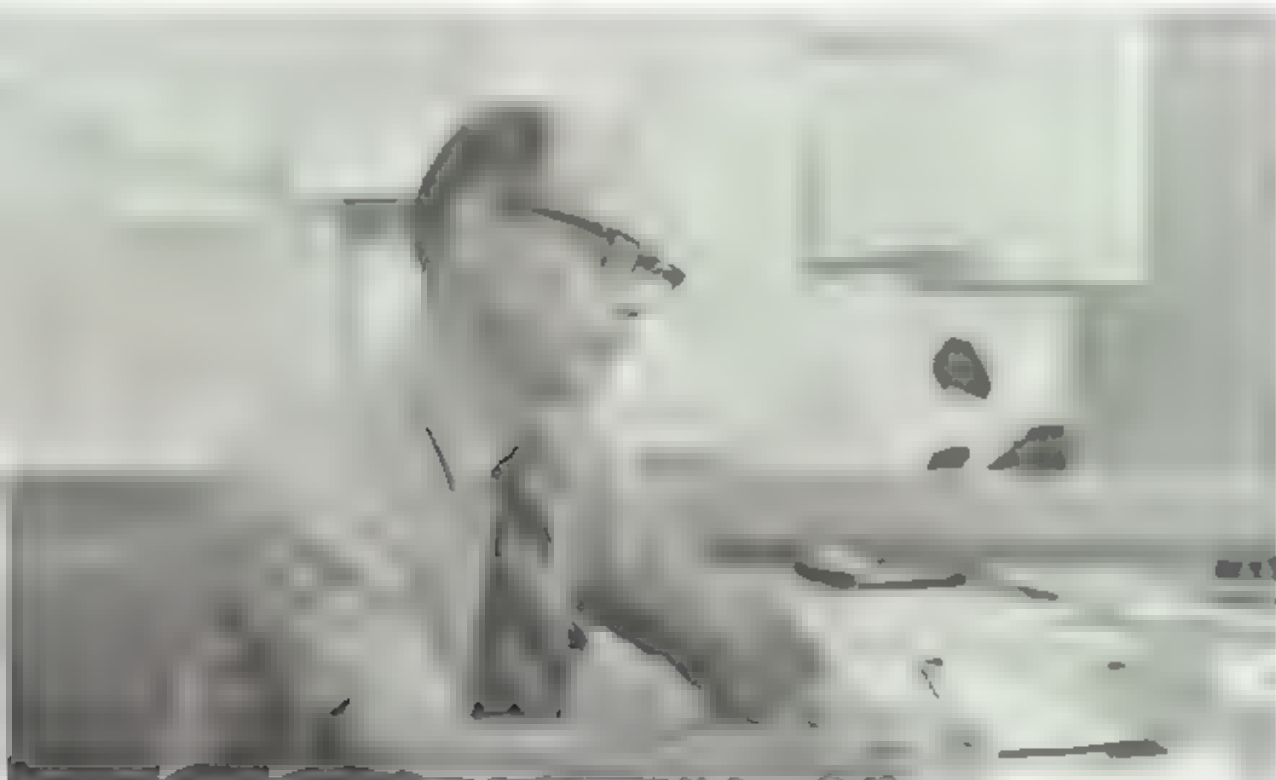

Demonstrating against Stephen S. Jenkins, the first black elected to the School Board, the Reverend Robert N. Nesby holds up a sign expressing his feelings of "still no black representation."

Administration adopts modified reading program

Dr. Lorenzo K. Lisonbee works on student's schedule in an attempt to arrange it satisfactorily

With the start of second semester an experimental reading program went into effect. According to this program, a series of video tape segments and training sessions, students should have improved their reading ability. Average and above average students participated in this experiment. Three experimental schools and one control school were used in this project.

A committee consisting of representatives from every department on campus was formed. The purpose of this committee was to investigate the use of modular scheduling and the possible adoption of the twelve-month school year.

Though security guards were previously hired by Camelback, the district planned to set up a system-wide security policy.

Because of excessive enrollment, two "early bird" classes were organized and gathered daily at 7 a.m.

Juniors, seniors have 21 electives in English area

Juniors and seniors began a new English electives program. They chose from a list of 21 different semester courses which took the place of English 5-6 and 7-8. Emphasis was on modern literature while still continuing to offer classical literature on some elec-

tives

Some of the new texts included *Andromeda Strain*, *Bless the Beasts and Children*, *Martian Chronicles*, *Demian* and *Sounds and Silences*.

Starting the new program, getting all of the textbooks necessary and making sure all of the movies came

on time posed problems throughout the year.

"The teachers spent much of last school year and many hours during the summer choosing texts, movies, records, film strips and supplementary texts for the electives," commented Mr. Morrison, English head

Concept approach tried in four history classes

We are reaching a time when the teachers will have to compete for students," said American History and Minority Studies teacher Bob Hudson. He spoke of the concept approach to history, tried as an experiment in his American History classes.

Dealing with separate topics rather than the traditional chronological method, each quarter carried a different area. Our American Heritage, Foreign Policy, and Civil Disobedience, subjects found in all

history classes, comprised three-fourths of the course. The American Mind was included for the last nine weeks.

An advantage of the course, according to Mr. Hudson, is the value of going over major events several times, each time with a different idea in mind. Furthermore, since class reports were required, each student heard many opinions.

Department head Mrs. Jane Watson said that since the method proved successful in other schools,

there was no need for the Board of Education to approve its use here.

Rejoining the department after teaching physical education, Ernie Hawkins worked part-time. Mrs. Ann Ridenour replaced Richard Stampe, and Mrs. Ruth Nimeh and Paul Gerlach left, making two part and nine full-time teachers.

Team teaching anthropology with Fred Johnson for the third year, Reggie Price said other team courses were being planned, one in biology and one in psychology.

Private phone extension installed for computer

Extending the teaching of computer math to classes besides the elective, computer programming, was the largest objective of the math department. Out of four main languages to be used in the computer, the math department

chose to use the "basic" language. Additional equipment introduced was the installation of a private phone for the computer.

COE program offers outside job experience

COE, Cooperative Office Education, was a program in which senior students worked in an office during the afternoons.

They were paid the going rate for the type of work they did and also received three school credits. "The course offers real office experience and bridges the gap between classroom and work in the world," commented Mrs. Nancy Anderson.

New equipment included four IBM Selectric Typewriters for the secretarial room. The need for electric typewriters in the office typing room posed a problem.

No changes were made in methods. Emphasis was placed on individual instruction and achievement.

Paul Tsakiris transferred from Special Ed to full-time business

Typing with speed and accuracy are two objectives of typing class. Learning to type business letters and memos serves as an asset for these objectives.

District office completed the construction of a tie-in unit, providing the science wing with a teletypewriter outlet connected to the PUHS computer. A time sequence has been set up among the district math and science departments in behalf of the student taking physics.

Prepared programs were given so that an understanding of computer language existed without taking the course in programming. The student then either used programs

of his own or a standardized form.

Due to circumstances beyond the control of the department, department head Hobert Coffey relinquished his third hour chemistry to Mrs. Ann Justus so Jim Barlow could have another physics class. Lack of space in Biology and Earth Science was reason for the change.

Mr. Barlow and David Moody attended the National Youth Conference on science and the environment at Chicago in November.

New texts included a revision of Biology C and a hard cover copy of *Harvard Projects for Physics*.

Carl Kuntz, working part-time away from the language department, taught three chemistry classes.

Emphasis on excellence in language area

Hans Schoenborn, new to Camelback, placed special emphasis on grammar and audiolingual exercises in his German classes. Part of the classroom activity included discussion of affairs, customs and problems.

New Spanish textbooks in the department were *Nuestro Mundo*, second year, and *Galeria Hispanica*, third year.

Of the eight teachers, Carl E. Kuntz, Miss June Roof and Mr. Hans Schoenborn were part-time. Taking part in the Foreign Language Department were 905 students.

Jesse Nelson, last year's German teacher, transferred to Central. Mrs. Ruth Nimeh, who taught Russian, was on leave of absence.

Mrs. Ada Jones commented, "I am expressing an emphasis on excellence in the classroom this year."

Classroom democracy displayed to give students responsibility

Larry Duvanel, Woodworking instructor, widened his teaching field to involve many manufacturing materials used in individual and mass production projects.

James Kennedy, Electronics teacher, emphasized classroom democracy by having a student-elected president of each class help run operations. "It's not necessarily the best student in the class, but someone with the guts to tell me when the class is unhappy," said Mr. Kennedy.

Mr. Kennedy was available after school to help students study to

become licensed amateur radio operators.

Starbursts new favorite candy at snack bar

Completion of the renumbering of all the rooms in the buildings on campus was finished by the maintenance crew in September. Another project under way was the repair work on the roofs of all buildings.

According to Mrs. Thelma Hoffman, cafeteria manager, Starbursts, a new candy sold at the snack bar, were a favorite with students. Hamburgers, Mexican food and Cokes seemed to be the favorite in the cafeteria.

Starting in January, a price increase of most items sold in the cafeteria came into effect.

Shawn Spurr portrays Rufus, play's leading role

Adopted from the novel *A Death in the Family* by James Agee, Tad Mosel's play *All the Way Home* was presented November 16-19 by Masque & Gavel.

Technical Director Larry Duvanel located several antique props for use in the kitchen, parlor and bedroom sets.

The setting is the area in and around Knoxville, TN, in May 1915.

The story deals with the effects of a death in a close-knit, young family.

Killed in the wreck of his automobile, Jay Follet is survived by his wife, Mary, a young son, Rufus and another child, as yet unborn.

From family members and through personal experiences in the play, Rufus learns about life and death.

To add realism to the performances, eight year old Shawn Spurr and six year old Billy Cole portrayed the children in the play, Rufus and Jim Wilson, respectively.

(Catherine to Rufus): "Did you draw that picture yourself? What are those riches coming down?"

(Andrew to Joel): "We'll just have to face the possibility that Jay is out drunk somewhere."

(Jay to Mary): "It's just today, Mary. Jackle's ear came off. It's enough to make me thirsty."

(Ralph to family members): "It's been over 20 years since I've been to see Granmaw Follet
 (Jay to Rufus) "Rufus is a very fine old name That was your Greal Grandfather Lynch's name"

(Rufus to Aunt Hannah). "I'm so very glad to go shopping with you"

(Rufus to Great Great Granmaw). "I'm Rufus. I'm Jay's boy, Rufus."

Fine Arts Festival outlines needs for auditorium

To raise money to assist in the building and furnishing of a performing arts center at CHS, the Fine Arts Festival was presented May 1-5

Combined in the festival were *A Midsummer Night's Dream*, the spring play and the annual art show

Other purposes of the festival were to involve students in a school project and to show the community what is being done in the area of fine arts at CHS

Providing refreshments and other items for the audience, campus club members built and manned booths during the performances. Profits were donated to the auditorium fund

Students in the cast of *A Midsummer Night's Dream* made their own costumes, receiving assistance from the homemaking department

Fifteen committees, consisting primarily of faculty members and students, were formed to handle the various phases of the festival

The cost of the project was ap-

proximately \$2,500

Local television stations and newspapers were contacted in order to give city-wide publicity to the festival

Eighth grade students from CHS feeder schools were invited to attend the preview performance, Monday night, free of charge

Patrons reserving seats for at least \$5 viewed the play Tuesday

Student general admission tickets were \$1. Adult tickets were priced at \$2

Security for props, sets, art exhibits and booths was provided by campus clubs during the week of the festival

"On the Green" activities (the area between the cafeteria and science building) began one half hour before curtain time

Included in the "On the Green" activities were performances by the Madrigal Singers and the art show

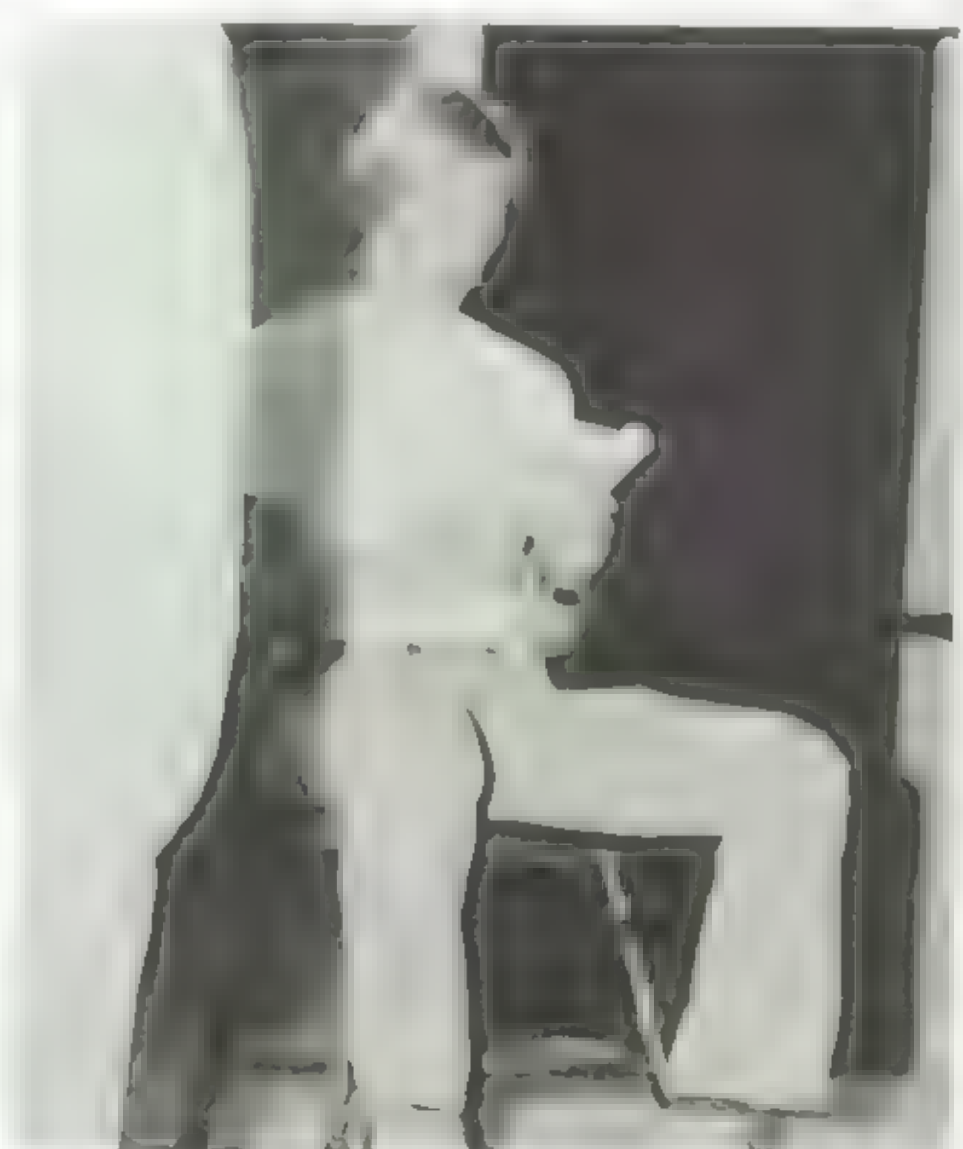

A costume jewelry drive, headed by Hans Schoenborn and conducted by the Pep Club, was designed to obtain trim for costumes.

Director of the Fine Arts Festival James Harvey explains the purposes of the festival to students and faculty at a committee meeting

Matt McEuen adds a contribution to the costume jewelry drive box.

Ken Murphy reads his part in try-outs for *A Midsummer Night's Dream*

Larry Duvanel works on a piece of the set for *A Midsummer Night's Dream*. The stage was located on the lower roof of the gym with a separate level on top of the student snack bar.

Cheryl Shouse, Linda Stewart and Cindy Hageman construct Hermia's costume for the play.

Program committee coordinator Mrs. Jean Powell and Steve McGlocklin assist Terri Burke in the typing of copy for the Festival program.

Sparking enthusiasm at a home basketball game, cheerleaders Connie Warner and Donna Calhoun perform routine movement to soul cheers

Cheerleaders Janis Whiting, Donna Calhoun promote spirit at a pep rally.

'Soul spirit' incorporated in cheer line's repertoire

Incorporating "soul cheers" in Camelback's spirit repertoire attempted to create a new boost of enthusiasm at the varsity games.

"The audience complained about having the same old cheers," commented Terri Donnelly, "so we at-

tended a clinic at ASU to sort of spice them up."

Once cheer acquired its basic knowledge of "soul cheering" it began to formulate its own movement with words.

Special activities included ac-

companying the Spartan band to the opening celebration of the London Bridge at Lake Havasu City.

Traditional activities involving breakfasts, parties and posters for the varsity teams were also a part of the cheer line's undertakings.

Excited over a Spartan touchdown, Terri Donnelly encourages spirit with her enthusiasm.

Pom dancers participate at Bridge event

Perfect on in performance, service, boosting spirit and involvement were the objectives the pom line worked for in its year of line participation

Dancing to "Brown Sugar" at the first assembly precluded their performance at the varsity football and basketball games. New as well as traditional dances were included in pom's list of presentations

Pom also participated in the parade held in honor of the opening of the London Bridge.

Exhibiting their enthusiasm for the athletic teams, pom line members assisted in gift and poster making as well as sponsoring varsity team parties and breakfasts

During the first football assembly, pom line members Angie Wilkinson and Gayle West kick to "Brown Sugar," a dance composed during the summer

Flag Line gives breakfasts, gifts to promote spirit within teams

In an effort to create spirit and good team work among the varsity teams, the Flag Line gave breakfasts and gifts to the boys. The girls also performed with the Spartan Band at the re-dedication of London Bridge at Lake Havasu.

Camelback has the only Flag Line in the state. It is supported by the girls, who have a dance during basketball season and interested students who make donations. This was the first year that the girls were invited to the Pom and Cheer Clinic at ASU in May. They taught the other lines their dances

Through tradition the girls perform a dance created the year before. They chose to perform "If Not For You." New dances created this year were to the songs "Close to You," "Drum Cadence" and "Incident at Neshabur."

The girls were picked by their ability to handle flags, a record of good attendance, their poise, a 2.5 grade average and good citizenship. The line consisted of six seniors and four juniors

Susie Utke remarked, "Each girl gave a part of herself which made it easy for us to work together."

Orchesis performs in Shakespearean production

Creative ability to prepare and perform dances as well as the aspect of technical skill were all parts of selecting the girls for Orchesis. One year of PE followed by one year of Modern Dance also were required for try-outs. There were approximately thirty girls in the Orchesis class.

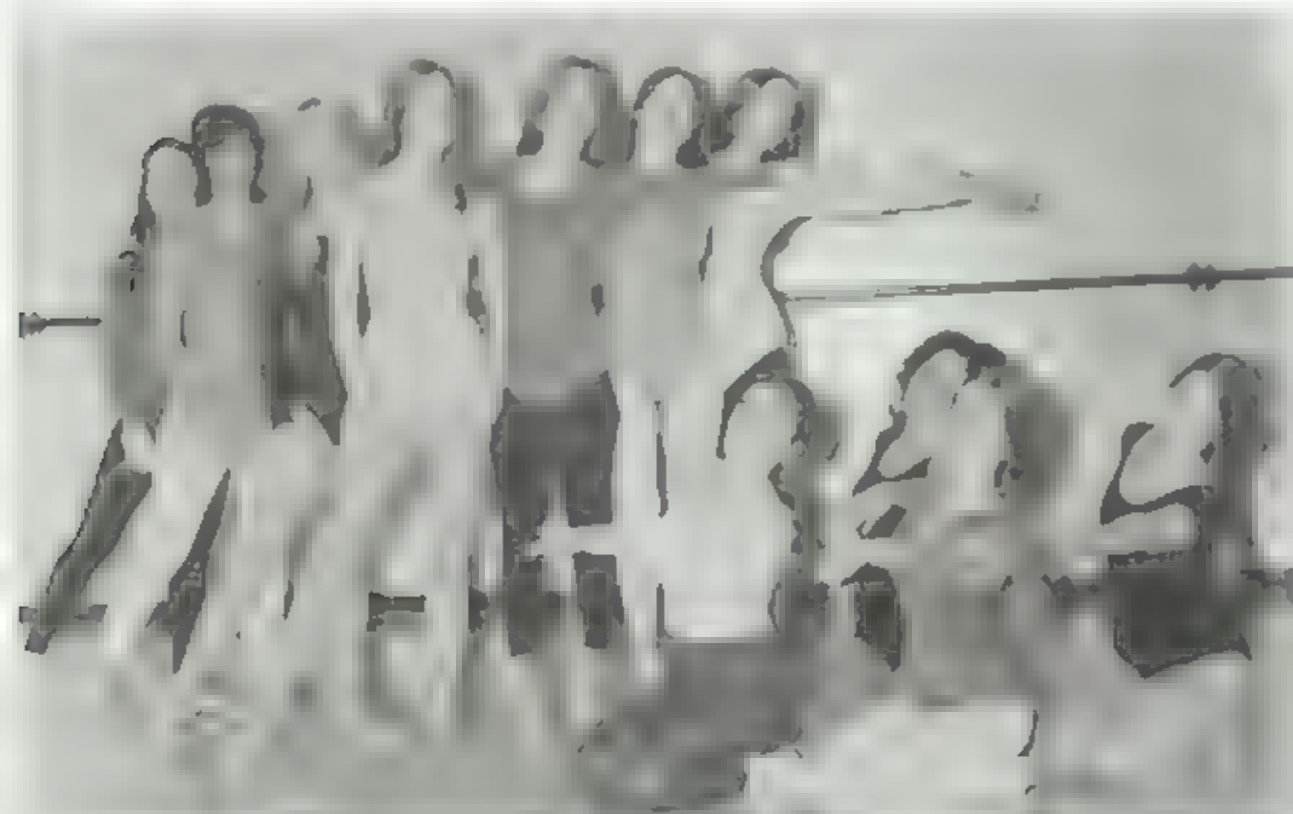

The modern dance group performed in a spring concert in cooperation with the Drama Department to present *A Midsummer*

Night's Dream.

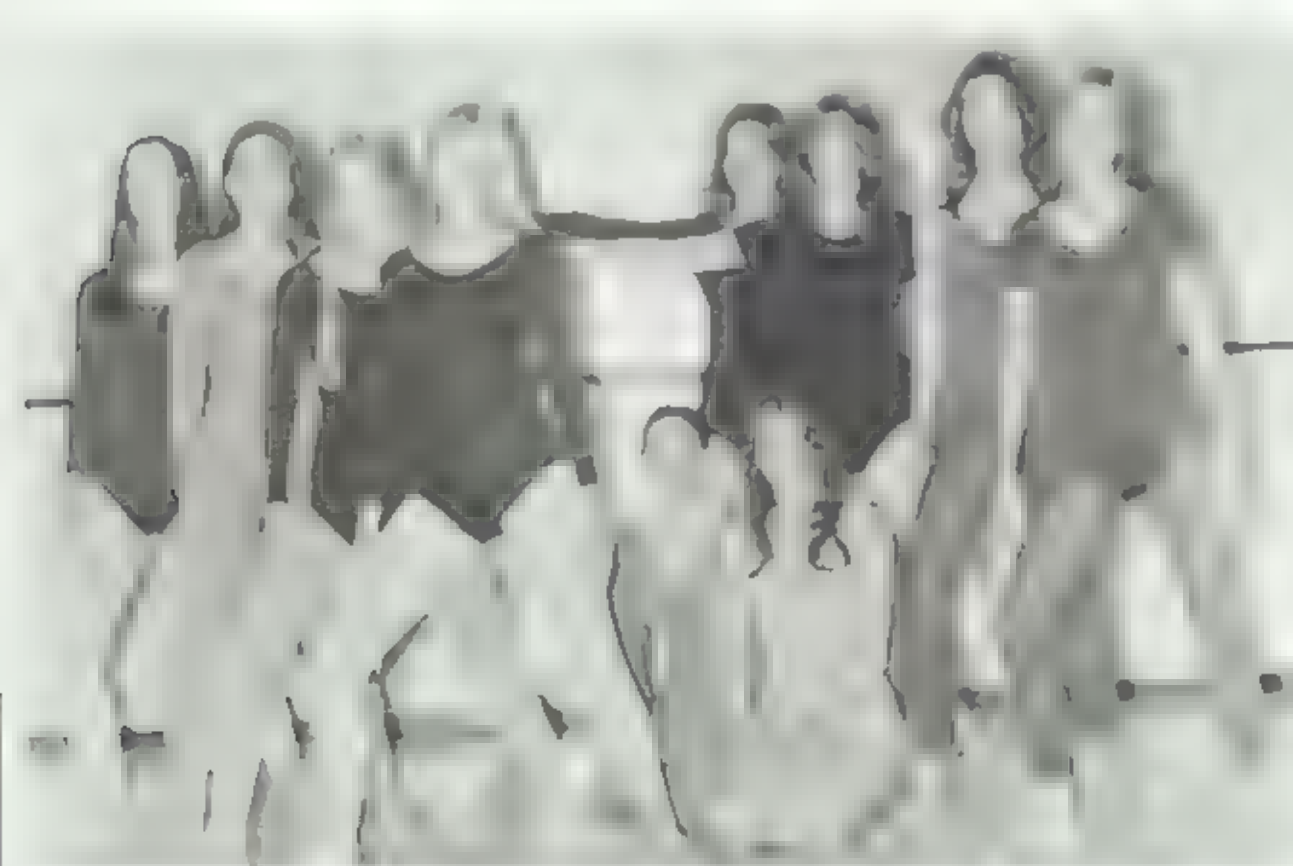

The group participated in an ASU Dance Symposium in November.

THE ARNOLD WESTER FAMILY — Mr. Wester, Nancy, 17, Nicky, 18 Mrs. Wester

Nicky Huts enjoys club activities, sports, parties

Various extra-curricular activities and studies kept Nicky Huts busy during her stay in the United States. Under the Youth For Understanding program she traveled from Antwerp, Belgium to live with the A. Wester family for a year.

Nicky became active in GAA, Dorian, Girls League, Student Senate and also held the office of vice-president of the International Club. Her favorite subjects were Speech and P.E. Her other subjects included Drama, Spanish, English and American History.

With her American family she traveled to Disneyland, the Grand Canyon and Mexico.

Her family in Belgium consists of her brother Fernand who is 21 and studying law at the University of Leuven. Her mother is a housewife and her father is employed at the harbor of Antwerp.

Nicky also enjoyed American food, slumber parties and toilet papering houses. "Football games and dances also were exciting," she commented.

Nicky Huts receives a friendly welcome from Student Body President Dan Malinski on her arrival on Aug. 22, at Sky Harbor Airport. Nicky traveled from Antwerp, Belgium, under the YFU program.

Visitor notes hot weather, low humidity

Arriving in Phoenix on Aug. 16, Amelia Brito quickly drew comparisons between Phoenix and her native home of Paysandu, Uruguay.

One of the first differences she noted was the hot summer temperatures when she arrived. She commented, "Although Paysandu is much more humid than Phoenix the summers are much cooler and the winters are warmer."

The school systems in Uruguay require six years of elementary and four years of high school. The school year runs for eight months with six days each week. Amelia hopes to go on to secretarial school instead of going to college.

The subjects that she studied here included, Speech, English, German, American History and P.E.

While she was in the United States she lived with the Hobson Daws family. In Uruguay she has two sisters, Isabel and Adriana. Her mother is a housewife and her father is an engineer.

Senior Ute Winnig demonstrates a German folk dance to Mr. James Harvey's first hour Speech class as Amelia Brito observes and waits for her turn to give her speech and demonstration.

Seated at a picnic table under a shady tree, Amelia Brito converses with her American sisters Amy and Cece Daws. The Daws family hosted Amelia who traveled from Paysandu, Uruguay.

E. Mazariegos, V. Casabianca see Disneyland

Rotary exchange student from Guatemala City, Guatemala, Ernesto Mazariegos stayed with the R. Fife family

In Guatemala, Ernesto attended an American school. At CHS, he became a member of the International Club and Spanish National Honor Society

Ernesto's schedule included ceramics, computer math, American history, sociology, physiology and imaginary literature

His American father is an orthopedic surgeon and his Guatemalan father is a lawyer

Plans were made for a trip to Disneyland

His hobbies were the care of a snake, three turtles and an aquarium full of fish. He also collected stamps and rocks

He has plans to be an architect

Coming in at semester break, Veronica Casabianca, YFU exchange student from Asuncion, Paraguay, lived at the Kenneth Nelson home

Her American father was a product manager who travels for foreign countries, while her father back home was a lawyer

Plans for her stay involved a trip to the Grand Canyon and Disneyland

Her classes included English, speech, economics, American history and government, with cooking a favorite pastime

An interesting sidelight to her stay was the feeling of racism in this country, whereas none exists in hers. Also students in her country do not enjoy the same freedoms of student-teacher debates

Her South American family included Patricia, 15; Carlos, 11; Silvana, 12; Rafael, 9; Sandra, 8; Lewis and Lucia Elesa, 2

Elizabeth contrasts lengthy extracurricular activities

Elizabeth Agreda, Rotary exchange student from Cochabamba, Bolivia, resided at the home of the Quinn family.

Comparing her school in Bolivia with CHS, Elizabeth felt her extracurricular activities here were promoted largely for their lengthy involvement, rather than for the game itself. She complained she was more accustomed to her native

soccer, which lasts for an hour.

Her studies were comprised of journalism, humanities, French, American history and government. Her hobbies were riding horses, reading and swimming. She has won honors for her achievement as an amateur swimmer.

Elizabeth mentioned her plans for the future to include attending college in North Carolina.

Charles Quinn, Elizabeth's adopted father is manager of J.C. Penney's. In Bolivia, Pastor Durand, her father, sells electrical appliances and her mother owns a boutique shop.

Dining in Bolivia calls for the father to sit and eat at the dinner table before anyone else. He also leaves the dinner table first.

Sergio values optimistic views demonstrated by CHS students

Students' optimistic views towards "big city" life greatly impressed the new Rotary exchange student from Chile, Sergio Venegas. He arrived in late August at the Fred Steiner household.

He found Camelback much larger in comparison to his British private school Mackay, situated in Vina del Mar. There he was required to wear a uniform. One standard established for Mackay required the teacher to move from one class to another, while the student remained in the same classroom.

Reading is his favorite pastime. Other interests include basketball and physics. He took English, American history, algebra, physics and

physical education.

Semesters in Chile are divided into two terms with students attending classes from 8:30 a.m. to 1:10 p.m. five days a week. The grading system ranged from seven to one, with seven being superior.

His Chilean family consists of one younger brother Juan Pablo, 15. His father is an accountant for a newspaper called *El Mercurio* and his mother is a housewife.

Sergio felt his food preferences fulfilled because of the numerous amounts of different vegetables included in his meals. He found most students to be friendly, and especially appreciated the teachers who assisted him in many problems.

Sergio adjusts to a rigid stance while taking part in junior varsity tennis tryouts. Back home, Sergio also worked on a yearbook staff.

Janet, Kim note memories of Holland, French foreign affairs

As a part of the Youth for Understanding Program, Janet Nelson and Kim Korrick traveled overseas. Janet went to Landsmeer, Holland, and Kim to Montauban Sur-L'ouveze, France

Janet spent two months learning the customs of Holland. Her father, G. F. Den Toom, was an engineer and her mother, Mien, a school teacher. Routine activities enjoyed by her adopted family were bicycle riding and sailing

Amusing things during her stay were learning to eat the continental way and getting lost in Rotterdam.

Her adopted brothers and sisters were Peter, 19; Joke, 17; Leo, 16, Aiend-jan, 15; Freek, 14; Marlies, 10; Sabine, 8 and Miriam, 7

Eventful experiences gained from

her trip included meeting members of her adopted family and seeing that family life is basically the same as life back home

Besides Landsmeer, Janet visited Hans Brusselo in Belgium

Kim stayed with two adopted families during her seven and one-half weeks in France

Her first family resided in a tiny village of only 40 inhabitants. Her father owned a hotel where she had a chance to take part in setting tables for all the guests at the hotel. Her family would also join together after meals to play cards or dance

La Garde Adhemar was the home of Kim's second family, the Chelvets

D. Toy named as outstanding girls' senator

Helping give students a better understanding of government, Boys' State convened in June at Northern Arizona University

For Jim Connor the experience was a worthwhile one. "I was already aware of the state government structure, however, I did learn a great deal about the political party organization," he remarked.

Scot Kristal was named to the Nationalists Party Platform Committee and elected head of that party's County Caucus.

Senator, mayor and city councilman were the offices held by Steve Tussey. Although he thought the experience was valuable, he felt the program that American Legion had planned was "rushed and useless."

Learning the basics of government and politics was the purpose of Arizona Girls' State. Four Camelback delegates attended the conference, June 14-21 at the University of Arizona.

Debbie Toy held the offices of precinct committee woman, senator and secretary of the senate. She was selected Outstanding Senator.

Sue Ferland was elected county recorder and precinct committee woman. She commented, "I felt it was a valuable experience because I learned about voting. Since I will be voting next year, I felt that it was of great value."

Joanne Higgins said, "I felt it was a worthwhile experience. I was able to meet many girls from all over the state and see a few old friends. At times it was a bit hectic and quite a bit of work but I did learn a lot about our government and that was the purpose of the Girls' State Convention."

ANYTOWN DELEGATES—Seated: Susie Utke, Nancy Wester, Kathy Higgins, Donna Bauer, Janet Kuhlman. Standing: Pete Kushibab, Mary Ellen Taylor, Susan Lappin.

Nine Camelback students attended Anytown, a human relations educational workshop. Delegates met June 12-18 at the Sky-Y Camp near Prescott.

"The friends I made and the delegates and the people from all different backgrounds were a very

valuable experience to me," commented senior Mark Clark.

Junior Bev Medlyn felt that Anytown did not accomplish its objectives. She stated, "There was no follow up; therefore the value of the knowledge gained was soon lost in the world of business, schedu-

les and apathy."

"I met so many different kinds of nice people. Everyone became such good friends and the Anytown spirit kept us close in brotherhood. There was a definite feeling of togetherness among the delegates and sponsors," said Susie Utke.

Eight semi-finalists gain chance at scholarships

Earning the chance to compete for 3000 scholarships, eight students became semi-finalists in National Merit competition.

Edward C. Smith, president of the National Merit Scholarship Corporation said, "The semi-finalists are among the country's most capable young people."

Making up less than one per cent of the nation's high school seniors, the semi-finalists were the highest scorers on a qualifying test given last February to juniors and seniors in 16,000 schools.

Semi-finalists who take the SAT test and are recommended by their school are automatically named as finalists.

Grades, accomplishments, leadership qualities and citizenship records, along with test scores, are all considered when naming winners.

Leslie Spector chosen Sweetheart by Blade staff

An extensive list of extra-curricular activities dominated Leslie Spector's years in high school. Her club involvement included National Honor Society, Girls League, Latin Club, Spanish National Honor Society, Parnassus and International Club

Leslie participated in the Community Volunteers, Student Senate and the Traffic Safety Committee. She also assisted in a number of play productions by crew service.

In her freshman year, Leslie attended the Arizona Junior Classical League Convention, where she

received a league award.

Playing the piano, drawing and painting were personal interests she enjoyed in free time. Hiking was another pastime.

Looking ahead, Leslie hopes to attend Pitzer College and obtain a degree in cultural anthropology.

Sara, Jim take honors as '72 Shield Queen, King

Music activities were the primary interests of Sara Hartzler, the 1972 Shield Queen. As Camelback's first harpist, she played in the Orchestra her four years of high school.

Sara's participation in Concert Choir included harp accompaniment as well as singing. She was also an active member of the Parent-Student Music Association and was the recipient of four music camp scholarships.

Sara's All-State Music recognition involved voice and instrumental achievements. She became the first harpist to play in the All-State Band and was an honored AIA Solo Festival participant.

Sara was also involved in several organizations ranging from Arete, Dorian, French Club, and International Club, to GAA and Girls League. Prom and Homecoming Committees and Student Senate were other elements of her extra-curricular undertakings.

Future plans include attendance at U of A with a major degree in the Performing Arts and a minor in the field of music education.

For his notable participation in school and extra-curricular activities, Jim Connor was elected Outstanding Junior Boy by U of A and received the Squaw Peak Optimist Outstanding Student Award in his senior year.

Excelling on the NMSQT, his accomplishment was recognized with a letter of commendation.

His extra-curricular involvement included Fellowship Club, International Club, Parnassus, Spanish National Honor Society and Baseball. As a senior, Jim served as president of Key Club and National Honor Society.

Attendance at Anytown and Boys State marked Jim's most memorable experiences. He also participated in the Inter-High Brotherhood Council and Student Senate.

Listening to music and playing sports denote Jim's hobbies.

Future plans include a major in business and later, law preferably at Princeton University.

Mainland China gains admission to Model UN

Eighteen music students, five vocal and 13 instrumental, became All-State Music winners. Judges' decisions were based on a solo performance, sight reading, skill at interval changes, tone, quality and dynamics.

The admission of Mainland China to the General Assembly was the most important decision made at the Model United Nations. Fifteen juniors and seniors attended the convention which was held at the U of A in Tucson.

The General Assembly also discussed resolutions dealing with the India-Pakistan conflict.

In the Disarmament Commission, delegates studied the proposal of peaceful uses of the seabed. A general resolution was passed, asking all member nations to cooperate in preserving the sea bed for peaceful purposes only.

Another topic debated in the Disarmament Commission was the issue of universal disarmament.

Camelback Singers perform for Kiwanis Club

NCCJ DELEGATES — Kathy Myrick, Terri Burke, Mary Hinda

Members of the Camelback Singers gave a performance for the Kiwanis Club at the Beef-eater's Restaurant in December.

The Camelback Singers is a group of 20 music students, mainly seniors who were chosen by Director Grant Jenkins from the best of the singers in the Concert Choir.

The promotion of human awareness and an active concern for the brotherhood of man was the basic theme behind the National Conference of Christians and Jews convention.

Delegate Kathy Myrick called the convention a worthwhile experience due to opportunity to meet new people from all over the state and exchange ideas.

Mr. Jordan nominated as Teacher of the Year

Representing Camelback and Arizona as Teacher of the Year, Mr. Leon Jordan became one of the five finalists in competition for the national Teacher of the Year award.

Mr. Jordan, who has been a biology teacher here for 17 years, will leave his current position to become head of the Science Department at Trevor Browne High

Band, Concert Choir travel to Southern California

Touring Southern California in May, Concert Band climaxed its yearly activities. Included in the tour was a performance in Redlands and a trip to Disneyland.

Junior Fabian Mangan became featured twirler performing solos at several football halftime shows. Debbie McGlocklin and Leslie Bowdoin completed their fourth year as twirlers.

During the summer, 20 students attended music camps at ASU, U of A and Interlochen.

Forty-eight of the 88 musicians tried out for All-State Band and over 90 per cent of the band participated in the ensemble program and practiced each day until the district contest in April.

Along with performances at home football games, Concert Band also played at a scholarship contest in February and the Tri-School Band Festival during spring.

"Although 30 members are graduating, there are some outstanding," junior varsity players coming up commented Charles Sessions.

A fall candy sale and one during April were designed to raise \$41 per student for the spring tour.

A concert tour in Southern California March 27-29 provided Concert Choir members with an opportunity to visit Sea World and Disneyland. Students sang for patients at the naval hospital while in San Diego.

Performances included a taping session at KOOL for radio and television and singing at the Biltmore-Tanner Brothers concert.

Members gave two concerts for parents and sang at the PMA dinner and the Christmas Assembly. A concert in May completed the year.

Twenty students were chosen to be in the Camelback Singers. As auditions were required, only the leading vocalists were selected.

Preparing for a Concert Choir rehearsal, several students practice their breathing exercises.

Over twenty students enroll for credit in new Jazz Laboratory

Accompanying the Concert Choir at assemblies and parent concerts, 48 students played in the orchestra

In December, members gave a concert for elderly patients at the Desert Terrace Nursing Home

Other performances included the spring and Christmas concerts and a scholarship concert in February

Replacing the old Stage Band, Jazz Laboratory was approved at the second semester as a credit course. According to Charles Sessions, director, the event marked the beginning of a new era in music education because jazz is now recognized as a serious medium in music

Over 20 students enrolled with membership being restricted to the most proficient musicians in the instrumental field

The group played at Friday night home basketball games and received a superior rating at the Cen-

tral District NAJE jazz festival December 11

Other performances included the Arizona State NAJE Festival, the Northern Arizona Jazz Festival and the 1st annual jazz concert, March 16, which featured Tony Morell, a local jazz artist

A March concert was scheduled to raise money for future festivals

Providing background and accompanying music for Gary Glaze of the New York Opera Company and a Christmas concert Dec 14 at Our Saviour's Lutheran Church were major performances for Concert Girls

In October the girls sold candy during the Music Department candy sale, sang at the PMA spaghetti dinner and sold tickets for it

Chorus members also caroled for patients at the Crippled Children's Hospital, Good Samaritan and Saint Joseph's Hospitals

During November, members par-

ticipated at the Festival for Girls' Chorus at North High

A combined concert with the Orchestra ended the year's events.

As preparation for future participation in school concert groups, Beginning Girls Chorus was offered periods one and two. "The girls are primarily freshmen and sophomores," commented Mrs Lana Frick, the instructor

Although students sang at only one non-school function, a Christmas concert at the Phoenix Resident Hotel, they did perform at the Spring Music Concert and at the PMA Spaghetti Dinner concert. Members sold tickets for the dinner

Blade staffers contract 45 advertisers, earn \$2,100

Eight weeks before school had started, the *Blade* contracted over 45 different advertisers and earned \$2,100 for operation costs and printing. The staffers continued to sell ads throughout the year to meet their total production costs of \$3,200.

For \$1, a student could buy a subscription to receive all 15 issues of the newspaper. This was a savings of 50 cents.

Two issues, the Honors Edition and the election special, were printed and distributed free of charge.

The Honors Edition lists every award won by students during the school year. It is usually about 12 pages in length and is handed out at commencement for all students and parents.

The election special lists all the candidates running for the Student Executive Board, their qualifications and their views on several matters of importance to the school and community.

The *Blade* uses off-set type and does their own paste-ups in the composing room of their printer, the *Scottsdale Daily Progress*.

ATHLETICS

Injuries hamper team's chance of becoming divisional qualifier

Designing defense to match Arcadia's offense last year, the Spartans met surprises in the form of new defensive and offensive formations. Nevertheless, Rick Hveem came on very strong, running back the opening kickoff 82 yards compiling the season's first 6 points.

Quarterback Mike Tidd kept seven minutes later to spark a 37-yard Hveem, Jim Kraemer drive. Tim Barnett took over from the five, setting the score at 13-0 after Nick Petrucci's conversion.

But the first quarter proved to be the Spartan's only scoring quarter. The game ended at 13-21 in a defensive struggle on their 4.

The offensive line began to jell with the second game. Consistent ground attacks led by Rick Behrens developed, but these drives often ended in unnecessary mistakes near the goal.

Holding the ball for the majority of the game, Spartans got on the scoreboard with a Behrens 35 yards in 3 attempts drive capped off by Barnett's scoring plunge. Petrucci kicked the conversion giving the Spartans a 7-0 lead.

Proving they weren't willing to let CHS keep the margin, Maryvale scored 2 minutes later with a 70-yard jaunt along the sideline.

After the Spartans were unable to complete three potential scoring drives, Maryvale won 7-14 on a 70-yard scoring bomb at 0:10.

Although CHS committed more offensive execution mistakes than with Maryvale, the East game became the first victory.

Relying again on ground attack, Behrens zipped 30 yards putting the Spartans in the lead in the first after which both teams went cold. Neither generated any scoring drive until late in the third when East suddenly rebounded with 2 touchdowns seconds apart.

With 1:06 remaining, Pete Overton raced 38 yards to their 2. Behrens made the final dive and score. Petrucci booted the extra point, supplying the needed margin of 14-13.

The team accumulated 250 yards while holding East to 49.

defense. CHS held the Rebels to 2 passes for 10 yards. Four linemen exceeded 70% blocking.

On their first play from scrimmage, CHS advanced 35 yards on a pitch-out to Steve Tussey. Behrens, Tidd and Hveem then drove 19 yards with the ball to give the Spartans' a 6 point lead. South soon scored on a pass creating a tie.

Due to the blitzing technique on South's quarterback, the opposition's offense was held until Behrens and Overton ignited a drive from 36 yards out. Behrens pushed it across, ending with 12-6.

Aware of the coming league games, Coach Parker tried to establish a passing threat in the North game as practice. What was expected to be a victory turned into a rout.

CHS scored seven times, thrice by passes to Tussey or Jim Kraemer.

Unfortunate North was too small and slow. The Mustangs were buried 49-6.

Game results showed Steve Tussey as primary receiver for league games.

Pressured not only by the first league game, the Spartans also performed before the large Homecoming crowd in the West game.

With 2:31 gone, Steve Dickens released the ball to the Thunderbird 10 with a punt. West lost yardage and 3 minutes later Barnett put CHS on the scoreboard.

The second quarter showed West in the lead with a touchdown made using unbalanced offensive methods. Spartans drove deep into their territory where Behrens, executing a flea-flicker play, hit Tussey to boost the margin to 13-8.

Mistakes near the goal remained to kill two potential drives. As defensive lines struggled on their 5 after a Spartan bobble, Dickens and Harry Bielng trapped a misled Thunderbird for a safety.

Tidd intercepted and instigated a 44 yard Behrens, Overton carry. Behrens bounded into the end zone with a nine second margin and Petrucci's foot hiked it to 22-14.

Captain Rick Behrens was sidelined during the **Carl Hayden** game along with Hveem and Randy Brown. The loss of the tailbacks severely hurt the Spartans. Only 5 out of 15 passes were completed.

Taking Behren's place, Overton led a race against downs near the beginning of the fourth, covering 74 yards in 18 plays. Tussey and Barnett also carried. Overton vaulted through Carl Hayden's line for CHS's only score. It ended at 6-17.

A battered team hiked onto the field to play the arch-rival **Central** in non-league. They required Overton, Behrens, Brown, Hveem and Richard Flores. Again, CHS relied on passing to make up for the absences, but few passes completed. The demoralized Spartans suffered a drubbing of 0-28.

Holding the pre-game meeting on the sidelines, players heard **Alhambra** fans jeer at their orange uniforms saying, "They look like pumpkins!" But the Spartans didn't expect another defeat. Coach Parker remarked, "Let's show them how pumpkins play."

With Behrens back as offensive captain, the team had new confidence. And they showed it by bunching 28 points into 11 minutes. The scoring spree was instigated when Behrens took the ball from our 10 and ran 16 yards. Hveem, Ottomeyer and Barnett followed the example to set up a Behrens to Dickens lateral and touchdown.

Noticing that Alhambra threw in spurts, Dickens intercepted 1:40 later and raced 33 yards to their 2 where Tidd pushed it across. Petrucci booted a PAT after both hits.

Spartan scoring fever continued on the high as Barnett sprinted 17 yards followed by Tidd's scoring 1-yard vault.

Only two minutes later, Dickens stunned Alhambra's supporters as he snatched a Lion fumble to scurry 47 yards, one shy of the goal.

Behrens made it good and scored a two point conversion.

Although the opposition rebounded 50 seconds later on a runback, they were snubbed 28-21.

The **Phoenix Union** game decided the divisional qualifier. Behrens injured his hand in practice, so few pitchouts were attempted.

CHS marched to their first goal in 2:50 on runs by Overton, Barnett and Behrens. But the good fortune ended quickly as a fumble in the

Coyote end zone became a safety.

Although the team soon trailed by 14 points, they dominated the second half by scoring on PU's mistakes.

Barnett leaped onto a Coyote fumble at their 21. After a defensive pass interference call put CHS on the 10, PU's line was smashed for Barnett's scoring plunge.

A misaimed Coyote hike on fourth down gave the ball to the Spartans on the 8. Behrens carried it in on three tries to set the final score at 20-21.

Behrens took the most valuable player award with 4 yards per carry and Steve Enright became most improved as defensive tackle. Ottomeyer earned the most valuable offensive lineman award and made all-state. Both Behrens and Ottomeyer made all-divisional.

The **Phoenix Gazette** honored Tidd as Back of the Week for North, Collins as Lineman of the Week with East and Dickens as Lineman of the Week for Alhambra.

Coach Parker awarded helmet decals for blocking efforts, giving the most to Ottomeyer.

Phoenix Union and Alhambra were the outstanding games. Coach Parker said of the season, "I felt we did as well as we could considering the injuries we encountered."

After losing league by two points, Spartans congratulate the Coyotes.

Steve Beldt, Bill Wilson captain junior varsity through building year

"It's kind of like a chess game. Everyone has to know his responsibility." Coaching his first year on junior varsity, Coach Gerald Clyne suffered a disappointing season, winning only two games.

The opening game against Arcadia was won 8-0 on Ronald Brown's running. Steve Chapin intercepted before the touchdown.

Noted as the outstanding game, the team nipped East 22-6. Harley Johnson and Dennis Yowell pro-

vided effective rushing to kill the Longhorn's touchdown pass hopes. Quarterback Steve Beldt "called most plays well" according to Clyne.

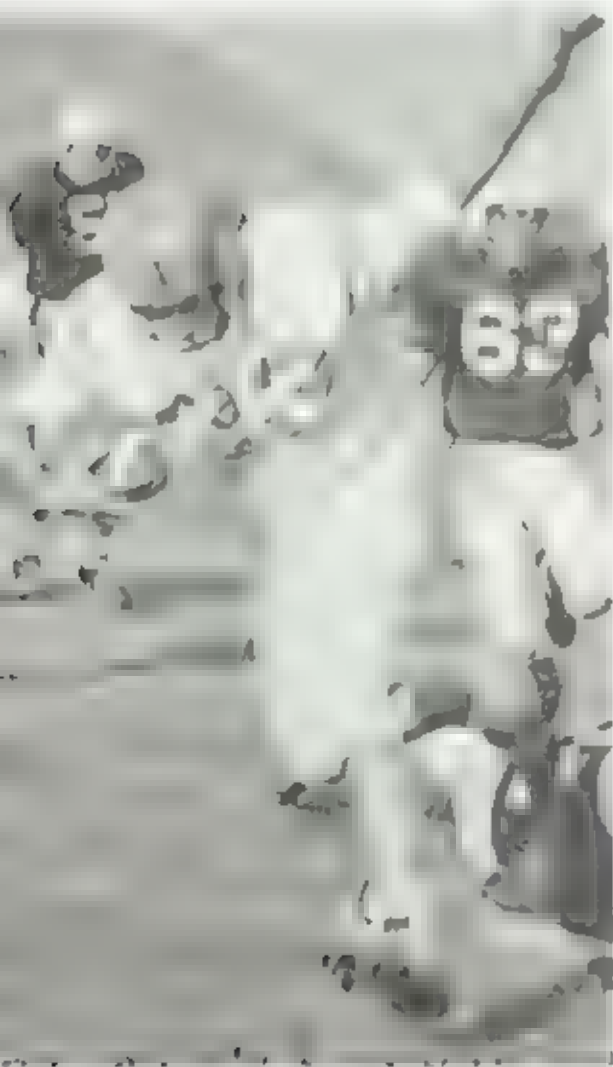

Running the ball, Brown and Jay Schweitzer amassed over 300 yards. Both, including seven more, transferred to varsity early in the season.

The majority of games featured most outstanding offensive and defensive lineman Bill Wilson, playing right guard, and Johnson, averaging seven tackles per game. Chosen as most outstanding offensive and defensive backs were Victor Mathers, averaging four yards per carry, and Wilson, averaging 14 tackles per game.

Offensively, Jim Burkhart became most improved, while Bill Kenning and Yowell attained most improved on defense.

Treating their season more as a building year than a winning one, Coach Clyne substituted often to give players experience. The team consisted mostly of inexperienced juniors.

"Hopefully, these boys will have learned enough football this year so that they will work toward higher goals next year on the varsity football level," commented Clyne.

Tom Iske carries as wingback in the Arcadia encounter. The opposing team lost by 8 points.

Halfback Randy Brown, averaging seven yards per carry, contributes most to team in East game.

Freshman Blue endure defeat; Orange improve prior record

It's always a disappointment to lose, but we expect to take a few lumps," commented Coach Dean Hauf at the football season's end.

The Frosh Orange and Blue teams have long been divided into even teams, where other schools separate into a strong and a "pee-wee" team. This philosophy is not conducive to a good team record, but the coaching department contends that it offers more boys more opportunities to play. This system has benefited the junior varsity and varsity programs.

Named by Coach Hauf as the most outstanding Orange players on the defensive line were Mike Adams and David Lengyel. The most outstanding offensive linemen were Lavar Merril and Keith McAllister. Chosen from the back-

field were Randy Palmer and Mike Holt.

"Freshman football is very basic. We started off the season playing a regular 'T' offense. After the second or third game we started running more of a professional type of offense," commented Coach Hauf.

The Frosh Blue had a disappointing season. Coach Rigan McGowen felt this was because of a lack of overall size and a great need for maturity.

The Blue played their most outstanding game against Maryvale.

Greg P. Graulich and Kelley P. Mitchell were named as Blue's most outstanding linemen.

Named as most outstanding backs were Jim Keller and Kevin McGinnis.

Shooters suffer lack of height, fall to rivals

Following a disappointing non-league season with two wins, the Spartans clashed with the **Carl Hayden** Falcons. Dave Lamparter led in field goals, producing eight in the second. Completing two consecutive jumpers two minutes into the second, Danny Valenzuela gave CHS the edge

Harry Bieling and Lamparter enforced the margin to a seven point halftime lead

But a Falcon defensive adjustment from zone to man-to-man narrowed the edge. Three consecutive turnovers set the score at 51-54.

Travelling to **West**, CHS met with defeat again in what Coach Ernie Hawkins called one of their best games.

Although offense lagged in the first quarter, leading scorer Mike Hersker added eight points in the second in 3:30. Both Hersker and David Jankov penetrated the Thunderbird defense five times, making 12 and 14 points, respectively.

Spartans led by as much as three points, but West kept the center clear with a press, and trounced CHS 65-80.

Suffering a 29 point loss to the **Phoenix Union** Coyotes proved once more that CHS needed height

Coach Hawkins remarked that "nothing went in." Only 11 of the 58 attempts became goals

Jeff Heffron and Jankov led in scoring with 10 points each. Leading rebounder Norm Watkins grabbed 10 loose basketballs

Phoenix Union upended CHS 40-69.

Alhambra's tough 60 per cent for the field stretched the Camelback losing streak to eight. Alhambra outclassed the Spartans until the fourth quarter.

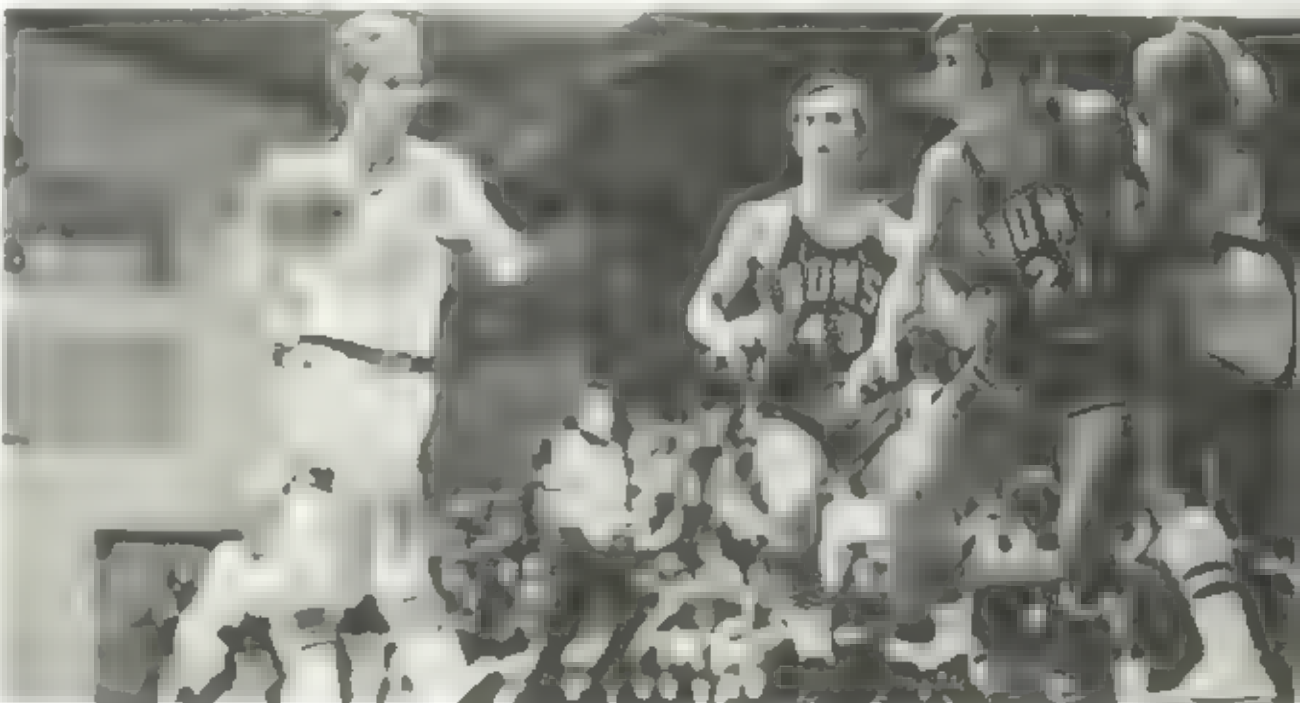

Then Lamparter packed 11 points into three minutes, helping make 23 points to Lions' 13. But CHS's revenge didn't make up for the 16 point deficit in the first, and the game ended in a 65-87 romp

Facing **Carl Hayden** for the second time, the Spartans lost at the free throw line. Only 13 out of 31 free throws were completed.

Watkins led in field goals, free throws and rebounding.

Camelback was bombed **61-78**.

Still unable to play a consistent game, the Spartans faced the **West Thunderbirds** again. Heffron led CHS to 29-37 at the half.

It was the second half which decided CHS's fate. Even though the shooters found the best positions, they produced only 17 points to West's 37 and headed for another loss of **63-74**.

CHS looked like a new team during the first half of the **Phoenix Union** game. Working the left side, the Spartans achieved a 29 point tie with an eight point lead for the boards.

Unfortunately, mistakes plagued the team in the second half. The loss of the opening jump ball and a turnover seconds later gave the Coyotes a one-point lead. PU boosted the margin keeping Enright off the boards and triumphed **55-68**.

Finishing the season with one of their better exhibitions, CHS encountered **Alhambra**. The Spartans led at the third in baskets.

Guarding Bruce Metzger, a 7'6" Lion, Watkins held the 19 points per game man to nine points. Alhambra looked beaten at the half with Spartans leading by one.

But the second brought fouling problems. With seven seconds left in the third, the Lions snatched a Spartan fumble and scored three points, putting CHS eight down.

"The entire tempo of the game was changed with that one play," remarked Coach Hawkins. Alhambra killed CHS **54-71**. Leading point man Bieling completed six field goals and rebounded nine times.

Named most improved, Valenzuela acquired 118 points in all and excelled in driving and ball handling. Watkins also earned most improved with 133 points.

Team captains Bieling and Heffron earned the most outstanding player awards.

Coach Hawkins remarked, "Although we didn't have the best material on the team this year, the players worked 100 per cent."

Junior varsity high point men Schweitzer, Nelson assist team

Never certain of winning or losing, Junior Varsity Basketball finished a 6-13 season.

Selected most outstanding, Jay Schweitzer scored 20 points per game with 235 total. He completed most of his baskets by driving. Schweitzer also excelled in outside shooting.

Late starter Keith Grimm became most improved in the last five games. Grimm shot 12 points per game.

Coach Charles Kinzer also mentioned outstanding players Gary Nelson, second in scoring with 150 points and first in rebounding with

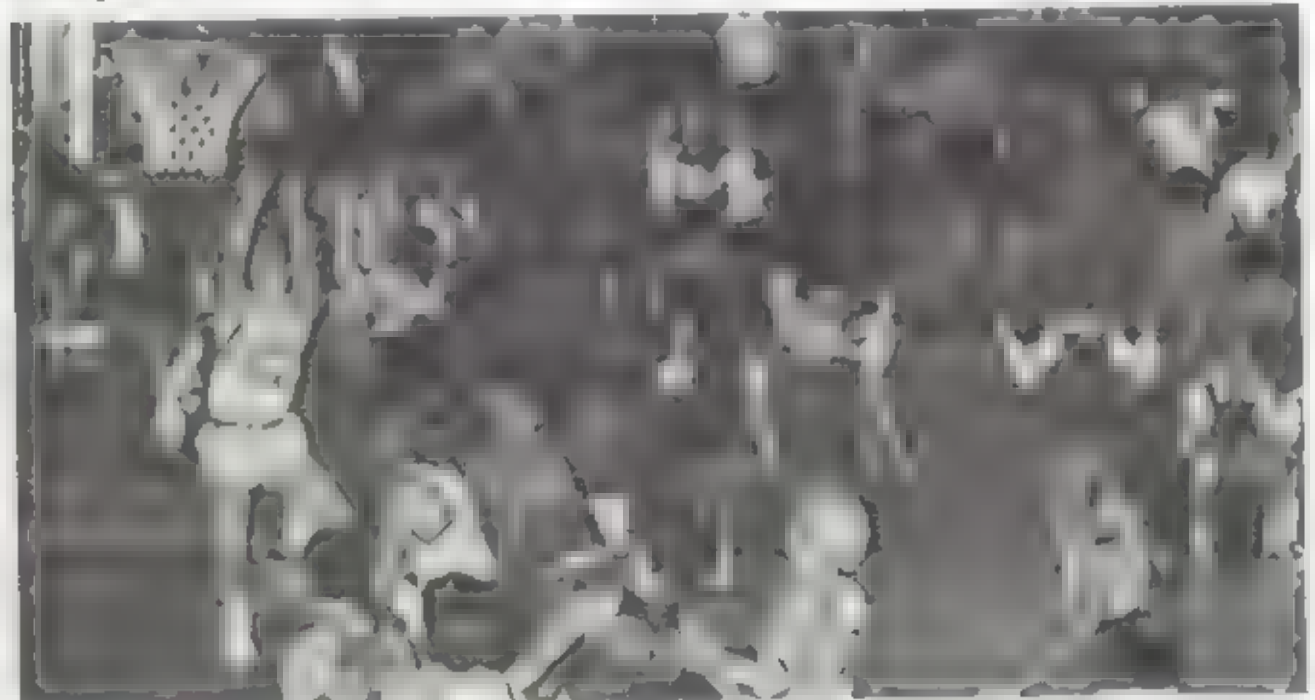

108, and floor leader Dicky Dierker, third in points. Schweitzer, Dierker and Randy Scott captained the squad.

Attempting to give the players a better knowledge of their duties, the coach emphasized individual instruction.

Most exciting of all the games, the first Maryvale clash became a victory with five seconds remaining. Top scorer Nelson accomplished 15 points.

Coach Kinzer remarked, "Even though the team as a whole was up and down during the season, individual efforts were great."

Mark Whipple, R. Pendergraft high-pointers

Setting a goal to win demonstrated the attitude of the Freshman Blue Basketball team

Mark Whipple, chosen most outstanding, led the team in points.

The most improved player title was given to Vance Daberkow. "At the beginning of the year Vance was unaggressive and unsure of himself. As the season continued Vance became aggressive, improving his shooting, dribbling and rebounding skills," remarked Coach Parker.

Most consistent were Mark Belnap and Allen Ginn. Belnap and Ginn started throughout the season with team members Greg Wikstrom, Mark Whipple and Bob Medlyn.

Citing the West game as being the toughest game of the season, Coach Parker stated, "West had some very big kids, supposedly the best freshman team that they ever had. The boys had to play really hard to win in that game."

Citing Don Shank as most improved for the Freshman Orange Basketball team, Coach Dean Hauf commented, "Don started to really help out in the areas of rebounding and shooting in the last four games."

Wally Zink was also cited as an improved player. "Wally led the team in hustle and determination", stated Coach Hauf.

Leading scorer of Frosh Orange was Rob Pendergraft. Pendergraft averaged ten points per game.

Starters Rob Pendergraft, Don Shank, David Thoeny, Drew Sarrager, Wally Zink and Rick Hancock averaged six to ten points in a game.

"The best game of the season would have to have been the 48 to 41 win over a pressing, aggressive, well coached East High team," stated Coach Hauf. "This was our best total game effort."

Bob Medlyn shoots for a score in the South game while teammates Vance Daberkow and Mark Belnap position for the rebound. Medlyn, Daberkow and Belnap started regularly.

Mark Whipple drives a layup outrunning his opponent. Whipple averaged 23 points a game.

Most valuable Tim Barnett wins by pins

Despite the 3-7 record made by varsity wrestling, a few excellent wrestlers competed.

Tim Barnett earned the most improved title. Barnett acquired a 7-0-1 record with seven pins. He took first place in divisionals and second in the state meet.

Chosen most improved wrestler, Greg Thompson grappled with the state champion twice, losing one and winning one. Utilizing techniques from a summer wrestling camp, he placed second in divisionals and qualified for the state meet.

Thompson and Barnett both won matches in less than a minute by a take-down and a pin, respectively.

West, the season's most exciting match, remained undecided until the final bout with Pat Ripley. He won by a fall, supplying enough points to win the match.

Captain Jim Ottomeyer's competence suffered due to injuries. He could not attend state.

Thompson, Barnett and Ottomeyer all participated with varsity the previous year. Because the remainder of the team contained sophomores and freshmen, Coach Corn noted the season as a building year.

He summarized the year saying, "A lot of sophomores and freshmen gained a lot of experience so that next year they can be a stronger team. I was pleased at seeing so many remain with us."

Greg Paulsen undefeated in eleven bouts

In spite of being few in number, the junior varsity met their opposition contending with only a few experienced wrestlers and nine beginners

Greg Paulsen, most outstanding wrestler, concluded the season undefeated with six pins and the fastest pin, 1 minute and 37 seconds Paulsen wrestled in the 187 pound weight classification

Coach Charlie Webb felt that apathy and other sports detracted from wrestling personnel, but that in view of a lack of experience, the freshmen held up tremendously "If the freshmen come back, they'll do a magnificent job," said Coach Webb

Most improved wrestler was Tom Hartman with a 9-3 season record

Excelling in the one and two mile events, Rob Waugh took most outstanding. At the beginning of the season, he ran the two mile in 9:08, the one mile in 4:12 and the 880-yard run in 2:02.7. He held the eighth position in the state competition.

Ray Woolery, also a strong distance runner, achieved a time of 4:30 in the two mile. Competing in the 880-yard run, Paul Robb completed the course with a time of 2:03.

Leading in low hurdle competition, Jerry Wilkerson finished with 2:15. Greg Parker, best in pole vault, placed in the top 15 in the state. Tim Haren participated as leading discus thrower.

Rick Hveem, Jerry Palmer, Joe Mathein and Wilkerson combined for the 440 relay. They carried the baton to the finish in 44.9 playing Alhambra.

League competition with Alhambra proved to be the toughest meet for the first part of the season. Although the Spartans performed well in the one and two mile events, the Alhambra Lions excelled in most field events and sprinting events.

Coach Mike Loughran felt the most strength would lie in distance events. "Rob Waugh, Ray Woolery and Paul Robb should all be well under two minutes in the half mile by the season's end."

Distance runners set pace for winning season

Distance runners Jim Woodford, Jay Jones, Rob Large and Nick Mose set the pace of a successful season with a series of victories in the first few meets.

Coach John Brown chose the Alhambra meet as most outstanding and as the toughest competition. "Although we don't have a lot of depth in the junior varsity squad we think that we have one of the better teams in the city," commented Coach Brown in his second year of coaching at Camelback.

The relay team of Steve Chapin, Jerry Wilkerson, Larry Snodgrass and Mike Hersker was commended by Coach Brown as a great asset to the team.

Members of the team also performed on the varsity level. Fine form and long hours of instruction helped discus throwers Wayne Bluhm, Bill Haeussler, and Ron Peoples to an almost unbeaten season. Ben Fiesler and Steve Enright participated in shot put.

Jay Jones and Jack Jurhill trail their opponent. Later Jones placed first in the one-mile run.

McGinnis sets school record in high jump

Early in the season Kevin McGinnis set a new freshman high jump record and remained unbeaten in the high jump and discus.

Questioned at mid-season with an undefeated team, Coach Gerald Clyne commented, "Not only do I feel that these boys are winners in athletic events, they are the finest group of young men I've had a chance to coach."

Chosen most outstanding runners were Brian Parks, Mark DeGrow, Randy Palmer and Don Shank.

Top performers in their events were George Thielman, two mile, Mark Beinap, mile; Larry Casillas, 880; Kevin McGinnis, high jump and shotput; Stuart Glenn, pole vault. Disc men Curt Garrison and Van Hall passed the 100-foot mark.

Helped by more strong runners to back up Rob Waugh, Varsity Cross Country enjoyed their best season in CHS history. The runners placed second at state.

Waugh was chosen outstanding for his consistent performance, taking first place in divisionals, inter-divisionals and state. He also ran the 3.2 mile state course in 15:34.4, a Kennedy Park record.

Cited most improved, Ray Woolery set a world record for 10,000 meters for age 15. He held No. 2 position.

The rest of the top five members included Paul Robb, Phil Simms and Nick Mose.

Coach John Brown summed up saying, "This is the most satisfying coaching assignment I've ever had. The team acted as a unit throughout the season."

Although junior varsity achieved a 6-4 record, single runners did not attain consistent place rankings. However, "the team showed a good deal of balance" according to Coach Brown. Junior Bob Large and Jay Jones placed most often in the top two spots.

Freshmen ran with junior varsity in all except three meets; Carl Hayden, 33-25; Moon Valley, 31-25; Alhambra, 34-22. The team placed seventh in the city meet.

Top catcher Tom Condon awaits the ball's return in the Cortez game, the team's 2nd victory.

Bill Bronson, Dave Lamparter best runners on varsity baseball

Inexperienced Varsity Baseball team members, eight juniors and only seven seniors, began the season well.

Coach Charlie Webb designated catcher Tom Condon "one of the most sought catchers in the entire state." Three major leagues scouted Condon during the season.

Acting as the team's cleanup hitter, letterman Dave Lamparter batted most consistently of the players. Bill Bronson's speed to first base put him on more bases than the others. Named top hitters and top base runners, Bronson and Lamparter worked together as the best double play combination.

Hitters sharpened their skills with a new \$470 curve ball machine. The money came from the team's fund drive.

What appeared to be a loss to

Cortez turned into the most exciting game. Spartans scored two walks and seven consecutive hits to bring them from a 5-0 score in the bottom of the seventh to a final score of 6-5.

Taking first place in the Easter Tournament, the team played four games in three days. Coach Webb claimed the extra pitchers aided the wins. Senior Randy Hansen pitched two games while Dan Hillebert and Lamparter pitched one game each.

The opposition of North, South, Saguario and East totalled 11 hits and seven runs as CHS executed 27 runs with 15 players hitting 300.

With three games behind him, Coach Webb commented, "I'm very pleased that we are undefeated as yet even though we did lack a lot of experience at first."

West High contest noted most outstanding Spartan comeback

The most interesting game of the junior varsity's season had to be the West High Game," commented Coach Dean Hauf. "Going into the seventh inning we were behind 1-3. In the seventh inning we came back with a rally to take a 4-3 win over West."

Coach Hauf cited this ability to come back as the most valuable aspect of the season.

Nathan Bohr with a .420 batting average, and Vic Dyer with a .405 average led in hitting. Dyer and Bohr formed an outstanding double play combination.

"Losing our first game was the season's turning point. It took the pressure off us for the undefeated season and allowed us to settle down and play one game at a time," stated Coach Hauf.

Nathan Bohr scores in the Carl Hayden game and turns to coach his oncoming base runners.

Sophomore Jim Searles slugs a grounder for a single to first base. Searles started throughout the season playing catcher for the junior varsity.

Demos adds greatest skills to girls archery

Triumphing last year for the fourth consecutive year at state, and for the third consecutive year at divisionals, Varsity Archery earned the U.S. Intermediate Girls Team Champion title, breaking 13 U.S. records. Annette Demos took the U.S. Junior Girls Champion title.

Selected most outstanding, Demos achieved her best placing in the Olympic Qualifying Meet at ASU.

Wendy Vance, considered most improved varsity member at mid-season, received first place in the Hondah Indoor-Outdoor Archery Meet Intermediate Division.

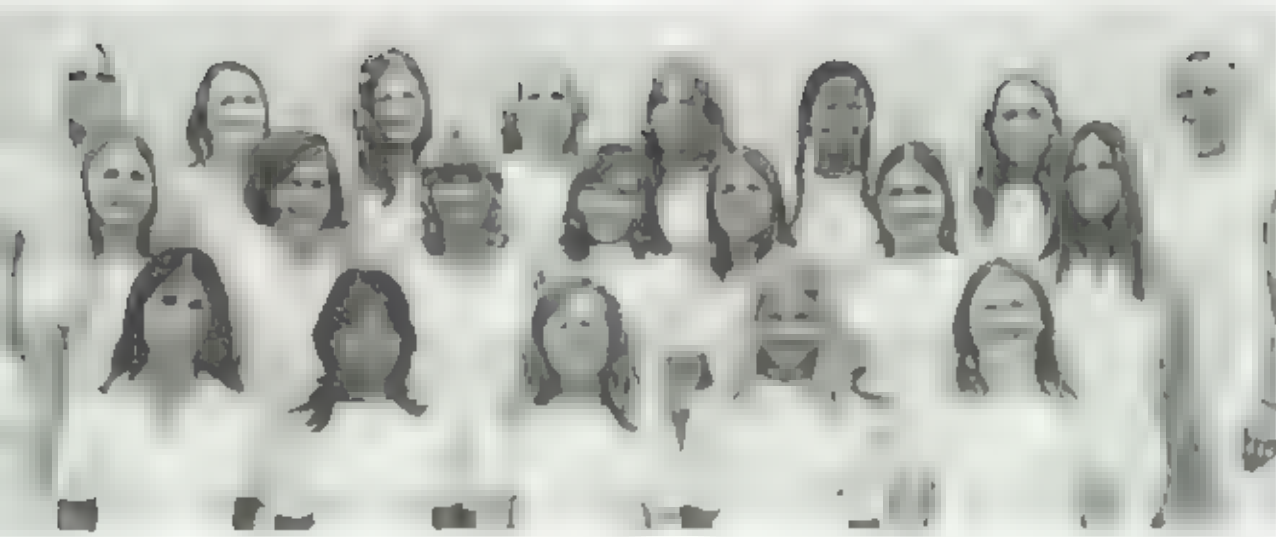

Jean Stephenson held the most improved junior varsity member title at midseason. Jocelyn Wendorf rallied for most improved freshman member. Wendorf placed second in the Hondah Indoor-Outdoor Archery Meet Junior Division.

Coach Gretchen James included novelty shoots such as the Clout and Archery Golf. Archers taught the sport to P.E. classes.

Commenting on the remainder of the season, Coach James said, "To say I am proud of the girls is the understatement of the year. I am thrilled with the progress. Our freshmen are breaking many records. It will be very difficult to select a team since we have such depth in this squad."

Holding titles of U.S. Junior Champion and U.S. Team Champion, Annette Demos strings her bow.

Vince Gullette best swimmer for two years

Outstanding swimmer Vince Gullette led the varsity team again for the second year. Working with ten years of experience, Gullette excelled in the butterfly and the individual freestyle medley.

Lee Tanner provided the most strength against Brophy. Competing in the 400 freestyle relay, he closed a 10-yard gap between CHS and the competitors.

Participating for the fourth year, Keith Perry worked best in sprinting events such as the 100-yard and 50-yard freestyle.

Diving for the team, Jim May and Rod Stewart showed promise placing close in points to the top two in the state. Since May, a transfer from San Diego, raised the number of eligible divers to two, relays could be entered.

Coach O'Jay Bourgeois claimed Glenn Carter, Tony Guido, Dan Moore, Paul Mullon, and Alan Sup as other promising swimmers.

Sixteen swim maidens recorded statistics at most of the meets.

Brad Butler achieves low man for first tourney

"I expect us to improve as the end of the season rolls to a close. I think the players were greatly devoted to the game and any games lost were only because teams were better than we. Since no facilities are available, we play when we can," remarked boys golf coach C.W. Ransburgh.

Starting out slow in the season, they suffered a loss against Alhambra and Agua Fria at Encanto Golf Course. Final scores were Alhambra 192, Agua Fria 187 and CHS 199. Senior Brad Butler was low man for the team.

Players participating took the low five scores. If one achieved a medalist, it excused him from having to qualify again. Practice was held at Papago Golf Course.

Varsity golf team takes second in state, second in divisional

Taking second place at state, the Girls Varsity Golf team produced several outstanding players.

Freshman Janis Jones became most outstanding with a 12-1 record. Janis took first place in state and earned low-medalist in all matches but Alhambra. She placed second in divisionals.

Penney Stephenson, most improved on varsity, ended with 12-1. Most improved junior varsity member Natalie Fabric acquired a 2-0 season record.

Becky Winslow remained unde-

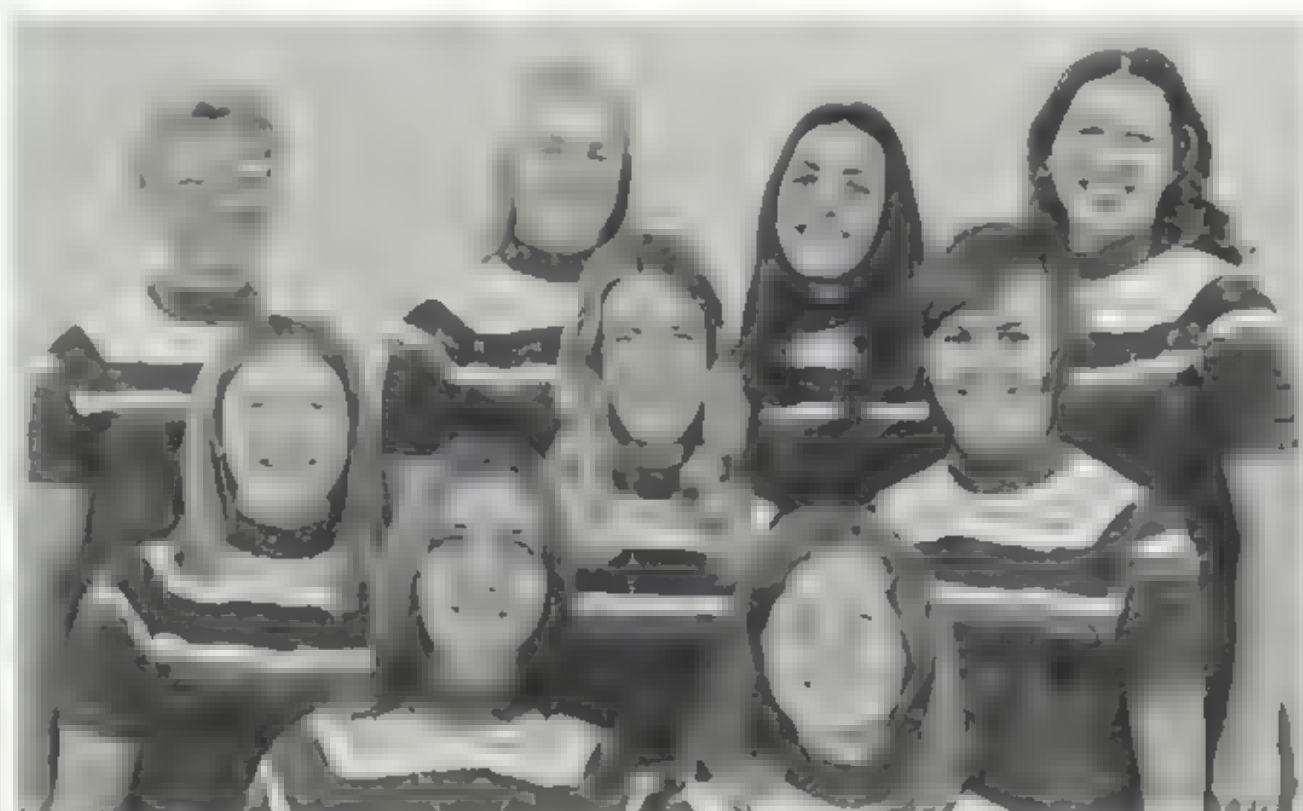

feated throughout the season.

Jean Stephenson, Becky Winslow, Kathy Nicholson, Janis Jones and Penney Stephenson made up the varsity team.

Coach Gretchen James cited Santa Rita as the outstanding match. Although they were state champs last year, the varsity players tied them.

Reflecting on the season, Coach Gretchen James said, "It pleased me to see the girls rewarded for their hard work by doing so well at divisional and state matches."

In her backswing, Janis Jones prepares to smash the ball, retaining her low-medalist reputation.

Sophomore Steve Crook was the only returning varsity player from last year's team. He was chosen Most Valuable player and put into the No. 1 position on the team.

Erik Sacks, the only freshman on the team, was selected as the

Most Improved player. He went on to the varsity team straight from playing freshman tennis.

The team consisted of one senior, two juniors, three sophomores and one freshman. All had played tennis on a Camelback team before except Andy Bombeck, a new

junior.

At mid-season the team was doing well with only two losses and five wins. Coach Bob Hudson commented that the boys worked well together and he felt this teamwork added encouragement and enthusiasm to the team as a whole.

Cathey Griffin holds best record with 1 singles loss in 4 years

Consistency was the motto for the girls varsity tennis team this year. To achieve this, footwork drills were worked out and the Ball Boy was used frequently.

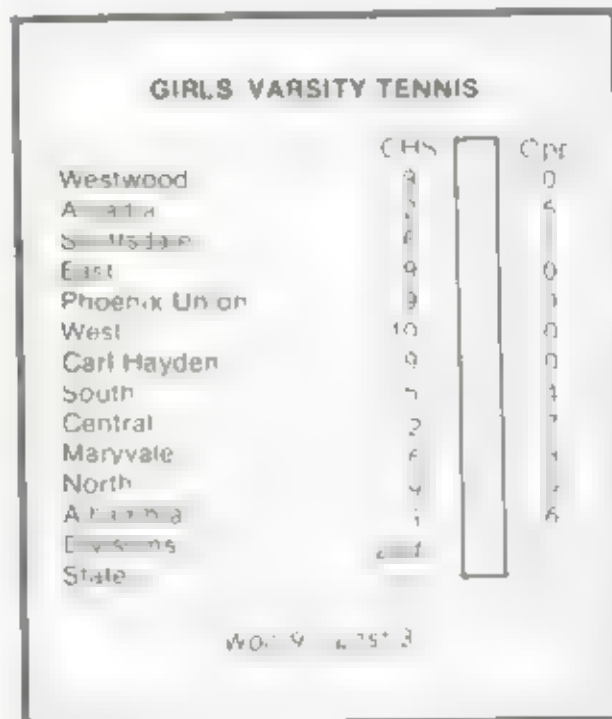

Senior Cathey Griffin held the best record on the team with one loss during her four years as a singles player. She made a practice of playing a very fast and aggressive net game.

The Most Improved Player was Sophomore Sandi Sherman. A team member said, "Her determination and constant practice through the summer has improved her game greatly to the astonishment of all team members."

The team's outstanding No. 1 player was Junior Carol Cox. Her fine desire and skill made her a real competitor.

The girl that works the hardest on her game, has the most enthusiasm and gives her most to the team as a whole receives an award of Hustle Plus at the Father-Daughter Banquet in May.

Coach Janet Shaler remarked, "I find it interesting to try dealing with each player individually. Each girl has a different, interesting personality as well as tennis form and game."

In the state tourney, Whitney and Searles came in first place.

Undefeated Whitney earned the Player of the Year trophy.

Susan Swiatoviak, the most improved player, finished with a season record of 10-1.

Coach Filkins said, "Varsity is the best team I have coached in several years."

Two seniors, one junior, five sophomores and three freshmen made up the Badminton Junior Varsity team. Lettermen Tony Giarli, Joni Rogers, Dianne Chidlaw and Carole Brandt returned.

Most improved Deanna Rhubottom lettered with a 5-2 record.

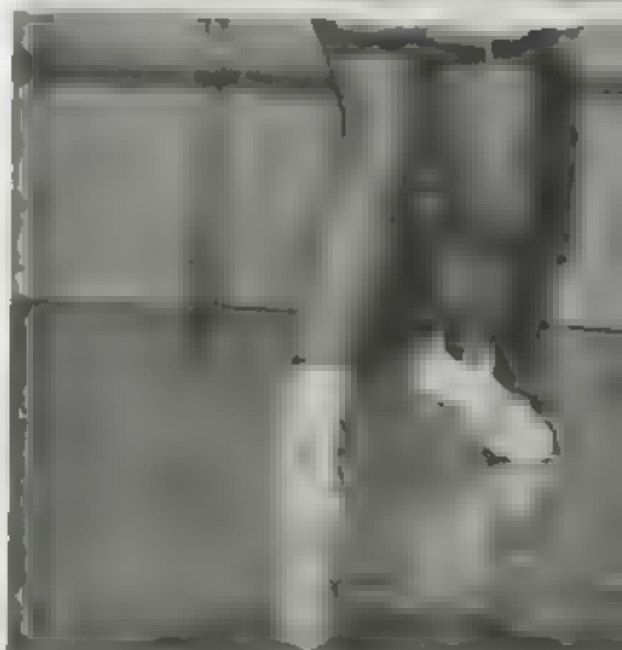

Most valuable player, Brandt, had a 10-1 season record.

Four girls of the team attended ASU badminton camp to learn new drills. The team won most of its games using drop and clear techniques or smash techniques, concluding with a record of 10-1.

Funds raised by NHS for senior tassles

At the fall induction of the National Honor Society, students were assembled in the library under the pretense of taking a poll concerning the 12-month school year. The joke was revealed and the induction and meeting began.

At the fall induction the second 5 per cent of the seniors were inducted to NHS. The third 5 per cent of the seniors and the first 5 per cent of the juniors were inducted April 27 at the spring induction.

The NHS raised money by packing caps and gowns at last year's graduation. Pastries also were sold to the faculty during the semester break. These profits were used to pay for the gold tassles worn by the top 15 per cent at graduation.

Lisa Bradford and Jim Connor were nominated to compete for the National Honors Scholarship.

Candlelighting traditional for all inductees

French National Honor Society is an organization designed to give special recognition to outstanding French students who obtain a 1 for three semesters. Tutoring is available through the honor group.

An induction dinner was held at Chez Louis where they ate soupe 'a l' oignon, boeuf bourguignon, coq a vin, salade and patisseries francaises.

A candlelighting ceremony followed. Members recite a pledge in French as they light a candle and sign a permanent roster.

Perfection was the key to winning in the second annual Business Department Spell-a-thon. Thirteen students out of the 136 participating were capable of achieving a paper with a 100% accuracy. Junior Chris Tronchon won for the second time.

The Spell-a-thon was originated after the American Management Society discontinued its annual spelling contest. Awards are given to the winners at the Business Departments Awards Night. It is strictly an intra-school activity with no further competition.

Los Olivos Restaurant was the setting chosen for the induction dinner for the Spanish National Honor Society. About 40 people attended the yearly event. The ritual of the candlelighting ceremony is performed in which a sentence in Spanish is repeated.

In an attempt to observe the culture of Mexico, Grady Gammage Auditorium at ASU was visited to see the *Ballet Folklorico*.

Entrance into this honor society is an award for maintaining a superior grade average in Spanish. Dues of \$1 are sent to the national headquarters in New York and the members' names are registered in an official record book.

Although an on-campus service organization, this year Leo Club shifted emphasis to community activities. Members helped in the Muscular Dystrophy Telethon before the school year began.

In November, members spent the weekend at the Arizona Boy's Ranch near Chandler. They cleaned up the surrounding area and painted some of the buildings. On Thanksgiving Day Leo Clubbers helped by working in St. Vincent de Paul's Dining Room.

For the second consecutive year, club members made the trip to Cornville to pick mistletoe for Arizona Family Drug Rehabilitation Center. The club made almost \$500 selling the mistletoe on campus, all of which went to the Center.

On campus, Leos contributed by ushering at Open House and College Night, painting the garbage cans, raising the flag at the football games, trimming a Christmas tree.

Profit of over \$400 made for scholarships

An ice skating party at the Ice Palace, a potluck picnic at Squaw Peak Park and an evening of Goofy Golf at Green Gables were all activities sponsored by GAA. The potluck picnic featured scooter races, an egg toss, a pie eating contest and singing around the bonfire.

A Christmas party was held in the school cafeteria. There was an exchange of inexpensive gifts which were distributed by Santa Claus. Skits were performed and games played during the party.

Other activities included were a roller skating party, a bike hike, slumber party, an evening at Legend City and Supersliding.

A volleyball playday was held at Agua Fria High School for all schools and clubs in the Valley that wished to participate in the inter-school city tournament.

Weekly meetings were held for an hour after school and a playday with another school about once every six weeks. The girls traveled to other schools in the district to have tournaments in certain sports and other girls visited our school.

The Sadie Hawkins dance at the beginning of the year replaced the traditional sock-hop. A profit of over \$400 was made for the PE Department's scholarships presented to outstanding girls at the end of the year.

During a father-daughter banquet at the end of the year girls on teams, lines and in GAA received the awards they had won during the year. These included varsity letters and special awards for GAA members who had earned certain points through participation.

Club president Barbara Emerick commented, "I feel this club brings girls in one group together to meet more girls. We have playdays with various schools to promote sportsmanship and meet other girls."

Chi Omicron raises money selling pretzels

Students of Mrs. Nancy Anderson's Cooperative Office Education class formed a new club, Chi Omicron Sigma. Funds from spook insurance sales and sucker sales financed several dinners.

These dinners included brunch with Dr. Carolyn Scott at Singing Canary, a banquet at The Islands expressing the students' appreciation for their employers and a new initiate celebration in a Sir George's banquet hall.

Members toured the 1st National Bank, American Airlines offices and American Express.

As a community service, the association caroled at the Phoenix Nursing and Convalescent Center.

Three tournaments gave members of the Chess Club opportunities to improve skills.

Held at the year's beginning, the positioning tournament determined the team's leading five players. With a title of third in the state, senior Gary Samuelson placed first. Greg Bandy and Mark Dioguardi tied for second. Following, Todd Decker and Leigh Trudgen earned fourth and fifth places, respectively.

A second tournament in January chose representatives to state, Gary Samuelson, Bill Haeussler, Leigh Trudgen, Paul Strong and Mark Dioguardi attended.

Practice matches consisting of pairings and challenges occupied the rest of the members' time.

Lettermen grant high jump kit to Department

Lettermen raised funds for football awards and also donated \$25 to the United States Olympic Team Fund

They had their annual party and purchased a new scoreboard in the gym for home basketball games.

Currently, the Lettermen have about \$400, mostly from the Harlem Clowns Faculty basketball game in the previous year

Coach John Brown held a mandatory meeting early in the fall to request the high jump kit for the Physical Education Department, rather than renting one

Their kit contained a giant canvas sac filled with foam rubber and cost \$90. Other high jump kits considered included those having everything from safety warning signs to zodiac markings.

Students sharing the common interest of mountaineering joined together to form a new organization based on safe climbing and conservation

Many Mountaineering Club meetings were held to acquaint or review members with the techniques of climbing including knot tying, rappeling, rope handling as well as basic scaling methods

Club activities involved excursions to Carefree, Pinnacle Peak, Weavers Needle, Tucson and Camelback Mountain. Spelunking became another favorite event

Taking field trips to several of the rock shops in Phoenix provided Lapidary Club members with knowledge of new tumbling, polishing and handcutting techniques, as well as the materials to do them

Members created original ornaments by mounting these rocks in broaches, pendants, bolo ties and rings. Also agates, chaledory and snowflake obsidian were polished just for their beauty

During the course of the year Auto Club members continued their construction of a Model-T Roadster. The frame and body were built entirely by the students. Mr. Rex Miller, club sponsor, predicted the completion of the car during the following school year

Parent groups give awards to worthy students

Providing an orderly method of uniting parents, students and school personnel into various interests groups was an objective of the Camelbackers.

During the January meeting, three members from the CTA discussed classroom teaching and related school and human problems.

At the opening meeting Steve Tussey, Dan Malinski and Shawn Kell discussed problems concerning student affairs. Dan spoke of government, Steve represented the Student Board of Education and Shawn reported on commencement committee plans.

The object of the Parent Music Association was to cooperate with CHS in arousing and maintaining an enthusiastic interest in the various phases of the music program.

The music department also received microphones, stands and accessories from the PMA.

A donation of \$50 was contributed toward the Cook Memorial Scholarship Fund. This award was presented to the student putting forth the greatest effort.

The prime goal of the organization was to raise money for scholarships for the purpose of sending students to music camp. The annual Homecoming Spaghetti Dinner held in October grossed a profit of \$2,555. The membership drive and the ice cream social also contributed to the fund, which enabled 20 music students to attend summer music camps.

Club Auctions increase profit to Electronics

Electronics Club members visited Goldwater's amateur radio station and watched as operators let GIs in Vietnam talk to relatives in the USA. They also observed amateur radio television in operation and looked at mementos of Senator Goldwater's career in the Air Force and in public office.

A tour through the DeVry Institute gave members the chance to see extensive lab areas, a computer room, microwave test area and they were given useful information about job opportunities available for electronics technicians.

Electronics Club annual auction raised \$30 in club profits. Television sets, transistor circuit boards, radios and various components were among the merchandise auctioned off.

A special area was set aside in the electronics room where club members could work on repairing stereo or ham equipment and building on class projects after school. A full assortment of test equipment was at hand when needed for their projects.

Open House benefits from Arete's work

Arete ran the total operation of the Open House Dessert for the first time this year. They made the food with the help of the Girls PE Department and did the serving. They also arranged for a clean-up crew and cash register operators consisting of administrators.

A profit of \$400 was made from this activity and from various candy sales. At Open House whole cakes and pies were for sale along with cookies by the dozen.

A volleyball playday was held for eighth graders in five elementary schools to acquaint the students with high school life and athletic programs.

Arete sponsored the All-Star Baseball Banquet for Arizona at Camelback in the spring.

Camping trips to Sedona and Flagstaff were made. An initiation parade for all newly inducted Arete members was held in June.

The underprivileged were the prime target for the Dorian Y-Teens this year. They gave Indian children from the reservation parties at Christmas and Easter. There were games to play, refreshments and a pinata to break.

They sold UNICEF Christmas cards, Christmas caroled at nursing homes and painted the bathrooms around school. A breakfast with Key Club was also featured.

The major money making projects for the year were the mum sale at Homecoming and the Dorian vs. Girls League Basketball game.

Club president Terri Harting commented, "The club was developed as a service club to promote fellowship and goodwill among the members. I'm very pleased with the members and the club itself this year as they were very enthusiastic and willing to work hard for the success of the club."

Reviewing ballots, Mrs. Mary Stiles and Larry Whitesett, Gerard speech coach, confer with one another for possible errors made during rounds.

In preparation for their chance to speak out in cross examination, debaters Stephen Becker and Pete Kushibab consider questions to bring up responding to an opposing squad's counter-plan.

Tournaments furnish entry to district, state

Money to pay entry fees for district and state competition was funded through the Forensic League of Arizona practice tournament held at CHS. Twenty schools participated. Other tournaments included West, Brophy, Maryvale and Xavier for novice speakers.

This year's resolution for the debaters concerned altering the jury system of the United States.

Teams debated both sides of the topic, affirmative and negative, and were evaluated through styles of analysis, reason and evidence, organization, refutation, cross-examination and delivery.

"Everyone gets along like a big family; we always have. I like to think of ourselves as being special," commented Mrs. Mary Stites, novice and varsity debate coach. "The importance is to clash with the other team and prove your new plan improves the status quo."

Though the debate squad was set back by heavy competition, varsity ended with high ranking for rounds debated.

Another important part of the forensic program was the Rotary contest. Junior Sheryl Ballard and freshman Tod Norman both came in third in finals. At district, Sheryl went double-entered for both extemporaneous and oratorical speaking.

Two members were elected by their student body to be on the Student Board of Education.

They assisted in financing the PUHS Band trip to Hawaii and the various workshops. They alerted the main Board of Education to district-wide policy concerning student rights and activities.

Because the board is the second of its kind in the country, all school activities relied on attention given to action passed through both boards of education.

CLASSES

Interest lack affects Frosh class activities

Because of the lack of interest, the Freshman Class Council had not planned as many activities as in years before.

Freshmen furnished refreshments at the Basketbrawl and the Daddy-O-Day dance and also provided the publicity.

Freshman class sponsors were Mrs. Helen Dover, Carl Kuntz, Virgil Marshall, Dean Hauf and Del Waite.

"The officers and a few others who came to the meetings really want to get some activities going, but, it's difficult to do much without participation," commented class president Sandi VanKilsdonk.

Sophs receive most passes from principal

Sophomores earned the greatest number of principal's passes for the first semester. A total of 673 students were enrolled in the Sophomore Class

Working on weekends and after school collecting canned foods from various places helped the sophomores win first place in the Salvation Army can drive which was sponsored by student government.

The major fund raising project for the year was the annual Basketbrawl, co-sponsored by the Freshman Class

"The people who wanted a good class council really worked at getting one," commented President Rick Wilson.

Richard Brown, Miss Frances Porter, A. Ricks and J. Campbell were sponsors for the sophomores

Junior class produces ten varsity players

Deciding against the usual magazine sale, juniors replaced it with a basketball game between Kriz Whiz Bangs and the faculty, and a Homecoming kazoo sale.

Funds received from these projects totaled nearly three hundred dollars.

Ray Woolery set the world record in his division for the 600-meter run.

Enrollment figures showed that the Junior Class was the smallest in number of students.

Fourteen juniors received principal passes.

Ten juniors earned a position on the varsity football team.

Sponsoring the juniors were Rex Christian, Bill O'Hair, Mrs. Ann Justus, J. LeSueur and Jim Horne.

Commencement committee revises graduation

Organizing a committee to revise and modify the existing commencement procedure was one of the main goals of the Senior Class. The final decision concerning proposed changes in the graduation exercises was made by a group of seniors, senior parents and the administration.

Fund raising activities included the annual Homecoming balloon sale and T-shirt sale during the first two weeks of school.

Class President Blake Hovevar attended the Arizona Association of Student Councils Workshop at Phoenix Union High School in December.

The Senior Class again took the lead over the other classes with 162 making the semester honor roll.

SENIOR CLASS OFFICERS—*Front Row:* Treasurer Sue Dittmar, Secretary Wendy Vance. *Second Row:* Vice-President Bob Poplawski, President Blake Hovevar.

SENIOR CLASS COUNCIL—*Front Row:* Robert Poplawski, Sue Dittmar, Roberta Gordon, M. J. Costanzo, Jean Stephenson. *Second Row:* Ken Murphy, Jenni McNeils, Pam Griswold, Dawn Savage, Jerri Zimmerman.

Wendy Six, Joe Miller... Third Row: Dick Johnson, Ted Sarager, Nicky Huts, Shawn Kell, Vicki Vaughn, Sue Ferland, Sue Standage, Kent Maurer.

PEOPLE

No people are uninteresting
Their fate is like the chronicle of planets

Nothing in them is not particular,
and planet is dissimilar from planet

And if a man lived in obscurity
making his friends in that obscurity,
obscurity is not uninteresting

To each his world is private,
and in that world one excellent minute
And in that world one tragic minute.
These are private

In any man who dies there dies with him
his first snow and kiss and light
It goes with him.

They are left books and bridges
and painted canvas and machinery

Whose fate it is to survive
But what has gone is not nothing

By the rule of the game something has gone
Not people die but worlds die in them

Whom we knew as faulty, the earth's creatures
Of whom, essentially, what did we know?

Brother of a brother? Friend of friends?
Lover of lover?

We knew our fathers
In everything, in nothing

They perish. They cannot be brought back
The secret worlds are not regenerated

And every time again and again
I make my lament against destruction

*Without a breeze...leaves would have no life
Without a sun...flowers would never grow
Without the trees...birds would have no home*

Nature has been good to us. She has blessed America with the natural resources so necessary to make a country great.

Over the years, we have converted these natural resources from unusable raw materials to industrial products unmatched anywhere on earth. From a simple light bulb to spacecraft capable of landing men on the moon, we have matched our natural resources with the resources of technology to achieve the heights of scientific accomplishments.

Along the way to success, we have overlooked the mother who spawned these achievements. To provide steel to build cities, we have stripped our earth of coal and dumped the residue in our lakes and rivers.

Trees that provide us with oxygen have been leveled to build homes in the suburbs, creating urban sprawl. To reach our cities, we have lined our countrysides with concrete to accommodate our nation's greatest polluter, the internal combustion engine.

We are all members of a society that demands throwaway bottles, a second auto, and electricity for our homes. We must all share the blame for America's environmental problems.

If the leaves are to have life, if our flowers are to grow, and if the birds are to have a home, today's youth must also accept the challenge with constructive effort. Your actions today will determine the course of our nation.

America can't wait for the next generation. By then it could be too late.

Ski Club invites membership

Dear Spartans,

I've been a member of the Camelback Ski Club since it started in 1968. At that time, we had 30 members and went on one trip a year.

Four years later, we're 110 members strong- the biggest club on campus and the largest high school ski club in Arizona.

We now go on four or five ski trips a year, both in and out of state.

Join the Camelback Ski Club and take a real trip!

Al Vanden Heuvel
President

Lew Scott, Kurt Roberts and President Al Vanden Heuvel take a breather before starting descent.

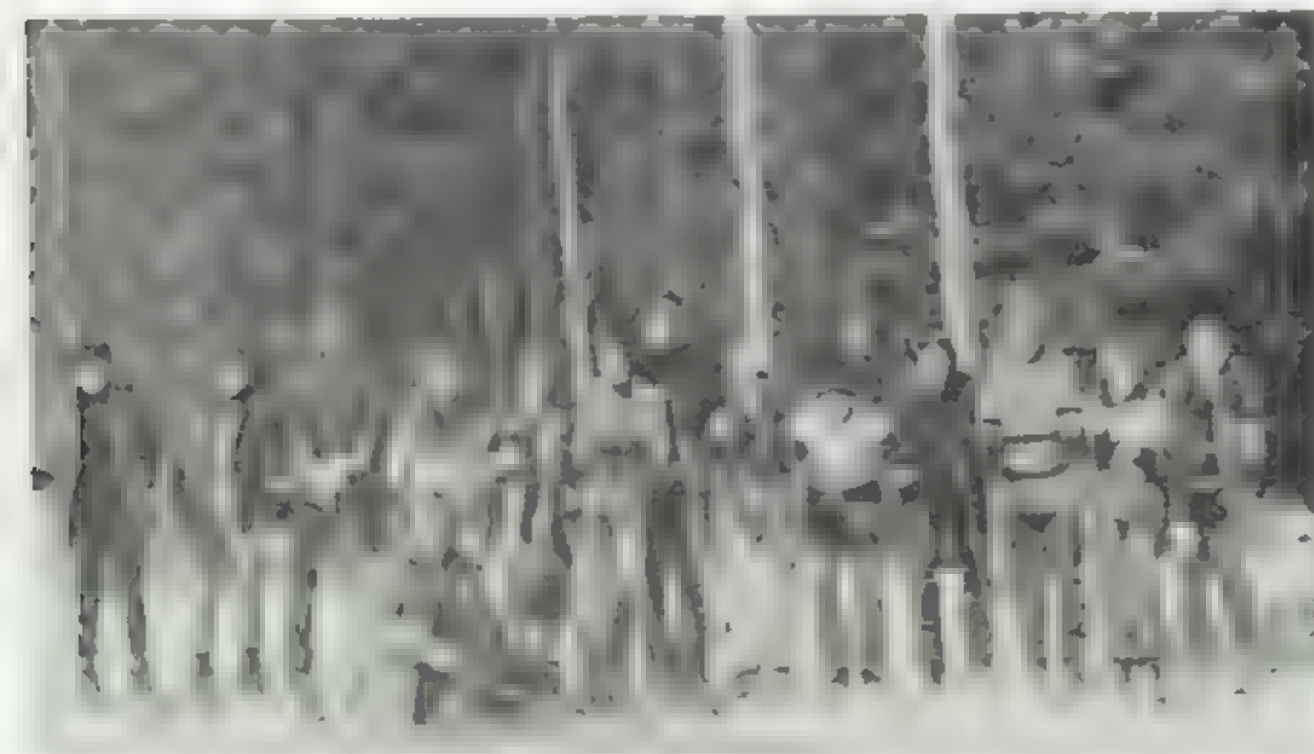

First duty of our sponsor, Mr. Clyne, is to attend to the needs of the Ski Club members.

Ski Club members Steve Flentje, Julie Hendricks and Jim Wilson pose

Gary Koleski rests at the bottom of a slope. What's snow without a flight?

As all of the Ski Club knows, our chaperones are the friendliest ones on the trips.

Senior Jim Ottomeyer and Junior Stephanie Austin get cozy on the ski lift at Purgatory.

Congratulations to

Thank you...

A special thanks goes to all our friends, parents and teachers from the editors and staff. We want them all to know how much we really do appreciate their help and encouragement

*Mrs. Jean Powell, for pushing us when necessary and for being such a good sport about staff practical jokes

*Mr. & Mrs. Burke, for all they have put up with from all of us—especially after the TWINKIE practices and during deadlines

*'Mom' Yost and Mr. Yost who were always ready to lend a helping hand, particularly with our transportation troubles

*The administration and faculty for being patient through all the schedule changes for staff members and cooperating with all our call slips and tardy passes

It was nice having you
in health co.

Have a nice summer
and good luck next
year

Love, Troncher

To a friend:
Becky you are a
warm friendly
person that
cares so much
for the other guys.
I wish I hope that
the people in Calif.
are just like you.

Love,

Debbie
Thomas
